

A Governess For The Brooding Duke: A Historical Regency Romance Book

Fiery passion, shocking secrets, and a compelling, vulnerable heroine in peril have made "Jane Eyre" an enduring favorite. When Jane becomes governess at gloomy Thornfield Hall, she falls deeply in love with the brooding, tormented Edward Rochester--and he with her. But soon Jane realizes that the house holds terrifying mysteries. What is Rochester hiding from Jane? Will their smoldering relationship survive--or will Jane be left heartbroken and exiled?

Governess Miss Helen Faraday prides herself on her commonsense approach to work. But Lord Eden Jarrow's imposing abode is enough to test the steadiest of nerves - and the brooding man enough to test the steadiest of hearts Can one with such a shadowed past be capable of love, and loving a governess at that?

Miss Linea Braddock is passionate about drawing and Avery, Lord Hammond—not necessarily in that order. Avery, heir to the Duke of Easton and a spy in His Majesty’s service, is passionate about his work and Miss Braddock—definitely not in that order. Between fervid kisses and stolen interludes, they talk of marriage, but Avery stubbornly refuses to propose until he can put his family's famous engagement ring on Linney’s finger. When Avery leaves suddenly without even saying goodbye, Linney decides to take things into her own hands and show him they belong together now. But everything changes when an old enemy resurfaces. Napoleon’s spymaster wants revenge for the Corsican’s defeat, and his ruthless plan is to get even by destroying everyone close to Avery—especially the woman he loves.

From the moment Abby meets her new employer—the mysterious, brooding Earl of Brendall—she is appalled by his brutish manner...and even more so by her own attraction to him. Has she lost her senses? As a governess, Abby has no choice but to play by the rules. But as a woman, she cannot deny the fiery sensations he ignites--or the fantasies he inspires... From the moment Elliott lays eyes on his new young governess, he knows he’s in trouble. Abby is intelligent, defiant, and utterly captivating, but Elliott must do his very best to resist her. But as the two grow closer, the passion burns hotter. In this historical romance from Tiffany Clare, author of The Surrender of a Lady, the only thing that can destroy their love is the darkest secret of his past—and the secret desires of a governess...

A shortened version of the novel. 8 yrs+

Thugs, chases through the streets of San Francisco, scientific discoveries, and other mysteries abound in this story for pre-teens. Matt and Heather Townsend, orphaned when their bioscientist parents are killed in the 1989 Loma Prieta earthquake, become wards of their Great-Aunt Estelle. Her stately old house in the Marina District holds intrigue, and a secret. Fortunately, Matt discovers the secret on his thirteenth birthday, and not too soon. He was about to go stark raving mad with boredom. Years earlier and unbeknown to anyone, rumors of Jon and Josie Townsends secret research had enticed SafGens head of security to break into the head office in an attempt to steal the research papers. His goal was to sell the papers, confident that certain foreign regimes would pay handsomely for the exciting new discovery. Coming up empty-handed, he devises another plan to get his hands on the papers. Roger Hill, the subservient butler, fools everyone but Matt and Heather. Their only chance at protecting their aunt and governess, as well as themselves, is to use the houses secret.

A new collection of immersive essays from the most acclaimed editor of the second half of the twentieth century from the legendary editor Robert Gottlieb features twenty or so pieces he ’ s written mostly for The New York Review of Books, ranging from reconsiderations of American writers such as Dorothy Parker, Thornton Wilder, Thomas Wolfe (“ genius ”), and James Jones, to Leonard Bernstein, Lorenz Hart, Lady Diana Cooper (“ the most beautiful girl in the world ”), the actor-assassin John Wilkes Booth, the scandalous movie star Mary Astor, and not-yet president Donald Trump. The writings compiled here are as various as they are provocative: an extended probe into the world of post-death experiences; a sharp look at the biopics of transcendent figures such as Shakespeare, Molière, and Austen; a soap opera-ish movie account of an alleged affair between Chanel and Stravinsky; and a copious sampling of the dance reviews he ’ s been writing for The New York Observer for close to twenty years. A worthy successor to his expansive 2011 collection, Lives and Letters, and his admired 2016 memoir, Avid Reader, Near-Death Experiences displays the same insight and intellectual curiosity that have made Gottlieb, in the words of The New York Times ’ s Dwight Garner, “ the most acclaimed editor of the second half of the twentieth century. ”

WULF’S SAGA BEGINS Evil from the dawn of time is on the verge of domination—but Wulf von Dunstig figured none of that mattered to him. What could he do about it? After all, he was basically nobody—the sixteen-year-old third son of a duke destined for an uneventful life as a ranger. But when destiny comes calling, it turns out there is only Wulf to answer.

After a devastating invasion of his native land, Wulf must rally the peaceful valley of Shenandoah. He must free his family and his land from the grip of intruders controlled by vampiric evil. It ’ s time to grow up. It ’ s time to fight for what is right. It ’ s time to wield the Dragon Hammer. At the publisher’s request, this title is sold without DRM (Digital Rights Management). Lexile Score: 680 About The Dragon Hammer: “ A fun and fast-paced adventure of a young man coming of age in a well-realized Tolkienesque world. The emphasis is on wonder—and courage—though there’s plenty of magic also. ” —David Drake, author of best-selling Lord of the Isles fantasy series About Tony Daniel: “ [D]azzling stuff. ” —New York Times Book Review “ Remember his name, and keep watching for whatever he does. ” —Roger Zelazny “ Daniel proves that the Golden Age of science fiction is right here and now. ” —Greg Bear About Guardian of Night by Tony Daniel: “ [A] large cast of utterly graspable humansFollowing in the footsteps of Poul Anderson and Greg Bear, Tony Daniel makes a triumphant return. ” —Asimov ’ s Science Fiction Magazine “ . . .an unparalleled success and could easily become a classic in military science fiction. . .Daniel creates. . .believable aliens as well as humans who are all striving for the same goal: capture the Guardian of Night. I was surprised and delighted by the depth of characterization in this book and recommend it to you heartily. ” —Galaxy ’ s Edge About Metaplanetary, by Tony Daniel “ [A] panoramic tale of men and women engaged in a war that spans both virtual and normal realities and that calls into question the nature of human intelligence and the price of freedom. ” —Library Journal "The best science fiction novel I've read in five years. ” —Lucius Shepard About Superluminal, by Tony Daniel “ Daniel renders his 31st-century battles and human dilemmas utterly fascinating. ” —Washington Post Book World “ [T]eems with vivid characters and surprising action. ” —Publishers Weekly (starred review) “ [B]rilliantly realized. . . the story remains gripping throughout. ” —Booklist Christmas at Blackhaven Castle In disguise, penniless Lady Seraphina Moreton seeks sanctuary at the Duke of Blackhaven’s castle just days before Christmas. Trey swore never again to be beguiled by a beautiful face, but as governess Seraphina gets close to his unruly, motherless children, he wants the festive joy she brings to stay beyond Christmas Day...Governess to Christmas Bride Lord Chepstow hasn’t seen Honeysuckle Miller since she was a plain, awkward schoolgirl. Now she’s not so plain and is looking after the host’s children at a lavish Christmas house party. And the one thing Lord Chepstow wants on his Christmas list is the prim governess! Duchess by Christmas Masquerading as a governess to help the brooding Duke of Blairmore find a wife is not how Regan Stuart expected to spend Christmas! Then he steals an unexpected kiss, endangering Regan’s heart...unless Gabriel can see beyond her dowdy costume and realise she’s his perfect Christmas bride!

Uncovering the mystery... Of the brooding earl... Arriving at the forbidding mansion on the Yorkshire moors, governess Selina Salinger is alarmed to find her new employer just as forbidding! Looking after his orphaned nieces, Selina gradually warms to Lord Westcroft. Their kisses make her dare to hope the ice around his heart is melting and a proposal could be a possibility. Instead he shocks her with a proposition so scandalous that no lady could ever accept!

She’s prepared to uncover secrets and scandal, but the biggest revelation is the way she feels under the lord’s dark gaze.. Lord Colton is suspicious of the alluring new governess—and with the furor surrounding him he must control his passion. But a man has his limits, and the delectable Miss Collingham is pure temptation..

A Lady Becomes A Governess - Diane Gaston Lady Rebecca Pierce escapes her forced betrothal when the ship she’s on wrecks. Assuming the identity of a governess she believes has drowned, she enters the employ of brooding Lord Brookmore, who’s selflessly caring for his orphaned nieces. Inconveniently, she’s extremely attracted to the viscount...her only chance of happiness tied to the biggest risk: revealing the truth about who she really is... One Week To Wed - Laurie Benson Widowed Lady Charlotte Gregory believes she'll never marry again after losing her husband - until meeting dashing Lord Andrew Pearce brings her respectable lonely world back to vibrant life! Left alone one night, they give in to their desires - only to find their secret passion leads to shock, scandal...and a sudden marriage of convenience!

“When a Duke ’ s daughter with a bad reputation is summoned to a cottage in Gloucestershire to be reinvented, hilarity most definitely ensues. The antics are amusing, and Robinson ’ s writing style is easy to read. Intriguing from start to finish!” —RT Book Reviews, 4 Stars, on Seducing Mr. Sykes “ A Maggie Robinson book is like the best kind of chocolate: delicious and totally addictive!” —Vanessa Kelly, USA Today bestselling author Return to the scandalous secrets of the English countryside ’ s renowned getaway for R&R–restoration and romance–in this delightful series from Maggie Robinson! After two months of treatment at Puddling-on-the-Wold, Mary Nicola Mayfield has shown no improvement, and her condition seems impervious to rehab. But Nicola is not the typical guest of Gloucestershire ’ s destination village for the wealthy and wayward. The trauma of surviving a horrific train wreck has rendered her mute; her injuries have healed, but try as she might, she cannot utter a sound. With her family and fiancé at their wits ’ end, Nicola knows Puddling is the resort–the last resort–that holds any hope for her recovery. Lord Jack Ryder–baron, businessman and, some say, mad genius–has gone from the heights of success to hit rock bottom, after a faulty girder from his iron foundry caused a dreadful bridge collapse. Nothing has assuaged his guilt over the passenger train that crashed or the lives that were destroyed. The stringent regimen at Puddling is not doing much for his deep depression–until he meets his mysteriously silent neighbor. Their fiery affair breaks all the rules, but will the unspoken truth be too hot to handle?

Duchess by Christmas by Marguerite Kaye Masquerading as a governess to help the brooding Duke of Blairmore find a wife is not how Regan Stuart expected to spend Christmas! Then he steals an unexpected kiss, endangering Regan’s heart...unless Gabriel can see beyond her dowdy costume and realize she’s his perfect Christmas bride!

The Secret Desires of a GovernessSt. Martin’s Paperbacks

While gathering research for the puzzles she sells to newspapers, Vivian, the widowed Viscountess Rowden, literally stumbles across the arrogant Duke of Whitley. Whit, known to the ton as the Ice Duke, is spymaster for the Crown, and he has evidence of enemy agents using newspaper ciphers to send coded messages to Napoleon’s army. His mission is clear—less clear are his feelings for the woman he may have to destroy. While Vivian struggles to put the past behind her and find a future where her heart can be safe, the duke must decide whether the lovely and independent viscountess is friend, foe, or fate.

This book, an important companion volume to Louis R. Harlan’s prize-winning biography of Booker T. Washington, makes available for the first time in one collection Harlan’s essays on the life and career of the celebrated black leader. Written over a span of a quarter of a century, they present a remarkably rich and complex look at Washington, the educator and leading precursor of the Civil Rights Movement who rose from slavery to be the dominant force in black America at the opening of the twentieth century. Harlan’s mastery of biography is revealed in essays printed here exploring the nature of biographical writing. Readers interested in the art of historiography and biography will find here Harlan’s essays detailing his experience in crafting his acclaimed biography of Washington, which received two Bancroft Awards, the Beveridge Award, and the Pulitzer Prize. Booker T. Washington in Perspective reveals Harlan as historian and biographer in the essays that were the prelude to his masterwork.

When a penniless governess falls in love with the brooding master of Thornfield, she is unaware of the tragic events that will follow.

The figure of the governess is very familiar from nineteenth-century literature. Much less is known about the governess in reality. This book is the first rounded exploration of what the life of the home schoolroom was actually like. Drawing on original diaries and a variety of previously undiscovered sources, Kathryn Hughes describes why the period 1840-80 was the classic age of governesses. She examines their numbers, recruitment, teaching methods, social position and prospects. The governess provides a key to the central Victorian concept of the lady. Her education consisted of a series of accomplishments designed to attract a husband able to keep her in the style to which she had become accustomed from birth. Becoming a governess was the only acceptable way of earning money open to a lady whose family could not support her in leisure. Being paid to educate another woman’s children set in play a series of social and emotional tensions. The governess was a surrogate mother, who was herself childless, a young woman whose marriage prospects were restricted, and a family member who was sometimes mistaken for a servant.

The ABC TV series The Bionic Woman, created by Kenneth Johnson, was a 1970s pop culture phenomenon. Starring Lindsay Wagner as Jaime Sommers, the groundbreaking series follows Jaime's evolution from a young woman vulnerable to an exploitative social order, to a fierce individualist defying a government that sees her as property. Beneath the action-packed

surface of Jaime's battles with Fembots, themes such as the chosen family, technophobia, class passing, the cyborg, artificial beings, and a growing racial consciousness receive a sophisticated treatment. This book links the series to precedents such as classical mythology, first-wave feminist literature, and the Hollywood woman's film, to place The Bionic Woman in a tradition of feminist ethics deeply concerned with female autonomy, community, and the rights of nonhuman animals. Seen through the lens of feminist philosophy and gender studies, Jaime's constantly changing disguises, attempts to pass as human, and struggles to accept her new bionic abilities offer provocative engagement with issues of identity. Jaime Sommers is a feminist icon who continues to speak to women and queer audiences, and her struggles and triumphs resonate with a worldwide fanbase that still remains enthralled and represented by The Bionic Woman.

Anne Bronte, was born on 17th Jan, 1820 at Thornton, Yorkshire, England, and died on 28th May, 1849 at Scarborough, Yorkshire. She was an English poet and novelist. Her sisters Charlotte and Emily Bronte both were poets & novelist. Anne Bronte's pen name was Acton Bell. She was the youngest member of the Bronte literary family. She wrote two novels—*Agnes Grey* and *The Tenant of Wildfell Hall*. Anne along with her sisters wrote poems and published as *Poems by Currer, Ellis, and Acton Bell*. Anne attended one boarding school just for a year. At home, Anne's studies included music and drawing. Although her aunt tried to make Anne and her sister to be perfect in household, but they all were interested in literature only. Anne's father was having a good collection of books of various renowned authors and subjects related books as well. Anne used to read mostly, Bible, Homer, Shakespeare, Milton and others. She took interest in history, geography and biographical books. This way, her imagination and creativity blend grew high. Even she developed one imaginary world. Her literary talent grew up. Anne had worked as governess for almost 6 years. Her second novel, *The Tenant of Wildfell Hall*, was considered as one of the first feminist novels. Anne was deeply affected by the death of her sister Emily Bronte at the age of just 29. It lead to her deteriorating physical health. Anne was a brave lady. She wasn't scared of death, as she too felt ill. She requested God, to allow her a little more in this world just to do some good before leaving this world. Whatever she wrote in poems and novels became classics in the literary world.

Lord Percy Hunterdon despaired: he had inherited a Gothic horror of an estate along with a pair of fifteen-year-old brats to marry off. It was no secret to him that finding husbands for these two vile young ladies would require the utmost expertise: the care of a governess of superior caliber. When Jean Morrison spied Lord Percy's advertisement, dreams of an unmarried viscount and a magnificent castle danced in her head. She imagined him as Byronic and brooding, pacing the battlements with a black cloak wrapped around his manly shoulders. And naturally, he would fall madly in love with her. Her dream burst apart at the seams immediately when she encountered dank, dirty Trelawney Castle and encountered for the first time the evil dispositions of her new charges. Still, despite all of this, the golden hair and dancing eyes of her employer conjured up fantasies that were most unseemly for a governess of distinction . . .

Stern and unyielding, Major Damon Collingham was prepared to pay a king's ransom for someone who could stay the course as governess to his two motherless children. In her straitened circumstances, Miss Juliana Wrenn needed this post and could not allow herself to be intimidated by him—or his colorful reputation. A devil on the battlefield and in the bedroom. Juliana knew what was said about her employer. She would not fall under his spell. But then, those harsh features could sometimes soften to something so much more attractive...

Among Hollywood's child stars are some talented children, normal and pleasant who find fame in film. Margaret O'Brien is one; her career began in 1941. The fresh-faced moppet quickly became a sensation and won the 1944 Academy Award for Outstanding Child Actress. As Adele in *Jane Eyre* (1944) and Beth in *Little Women* (1949), Margaret endeared herself to millions. Despite the strain of growing up on screen, O'Brien continues to perform today. This reference work details O'Brien's remarkable and varied career on stage, screen, and television: it includes a biography and a complete listing of all her film, radio, stage, and television appearances, as well as references to her in magazines and newspapers. Each entry includes complete production information, as well as reviews and behind-the-scenes commentary.

Included are forewords by Robert Young and O'Brien herself, who provided much of the information in this book. Dozens of photos, including many from O'Brien's personal collection, illustrate the text and show the varied stages of a career that includes both famous roles and famous friendships.
