

An Echo In The Darkness (Mark Of The Lion Book 2)

When he learns that his pregnant wife has been spirited off to a distant city, William responds as any man might—he drops everything to pursue her. But as a fugitive slave in Antebellum America, he must first run a terrifying gauntlet, eluding the many who would re-enslave him while learning to trust the few who dare to aid him on his quest. Among those hunting William is Morrison, a man who fled the miseries of his homeland only to discover even more brutal realities in the New World. Bearing many scars, including the loss of his beloved brother, Morrison tracks William down, a personal agenda rooted in tragic events that have haunted him for decades. Following up on his award-winning debut, *Gabriel's Story*, David Anthony Durham presents another brilliantly drawn portrait of America before the Civil War, and a provocative meditation on racial identity, freedom and equality.

On June 25, 1989, the naked corpse of schoolteacher Susan Reinert was found wedged into her hatchback car in a hotel parking lot near Philadelphia's "Main Line." Her two children had vanished. The Main Line Murder Case burst upon the headlines--and wasn't resolved for seven years. Now, master crime writer Joseph Wambaugh reconstructs the case from its roots, recounting the details, drama, players and pawns in this bizarre crime that shocked the nation and tore apart a respectable suburban town. The massive FBI and state police investigation ultimately centered on two men. Dr. Jay C. Smith--By day he was principal of Upper Merion High School where Susan Reinert taught. At night he was a sadist who indulged in porno, drugs, and weapons. William Bradfield--He was a bearded and charismatic English teacher and classics scholar, but his real genius was for juggling women--three at a time. One of those women was Susan Reinert. How these two men are connected, how the brilliant murder was carried off, and how the investigators closed this astounding case makes for Wambaugh's most compelling book yet.

religion, culture and nature, mask and identity. From the Deep South to the simmering streets of Harlem, his characters embark on real, magical, and mythic quests. Henry Dumas was born in Sweet Home, Arkansas, in 1934 and moved to Harlem at the age of ten. He joined the air force in 1953 and spent a year on the Arabian Peninsula. Upon his return, Dumas became active in the civil rights movement, married, had two sons, attended Rutgers University, worked for IBM, and taught at Hiram College in Ohio and at Southern Illinois University. In 1968, at the age of thirty-three, he was shot and killed by a New York City Transit Authority police officer.
