«L'invenzione occasionale è una polifonia di temi, una trama di pensieri, un laboratorio di

Read Book Il Libro Creativo Maggie

scrittura e di poetica che prende spunto dalla dimensione apparentemente ordinaria della vita. La raccolta intercetta, sonda, incalza ciò che preme sotto l'ordine convenzionale della memoria e del presente: immagini, gesti, relazioni, necessità ed emergenze. Violare, inceppare, disturbare sono gli atti anarchici e sovversivi che ritornano di continuo nelle tessere di questo mosaico, ispirate allo scavo e al recupero perturbante». Tiziana de Rogatis I testi sono stati pubblicati originariamente in inglese sul Guardian nella traduzione di Ann Goldstein nel corso del 2018. L'invenzione occasionale è composta da cinquantuno frammenti eterogenei di

Read Book Il Libro Creativo Maggie

esperienze e di poetica, di intuizioni e di autobiografia. I titoli dei brevi testi modellano una mappa in movimento, definita di volta in volta dall'occhio del lettore. Attraversando soglie e frontiere diverse, rovesciando le stesse pertinenze di alto e basso, ogni tessera apre varchi tra contesti lontani, devia dal solco per meglio segnarne la traccia. Ed ecco che il racconto dell'insonnia porta all'urgenza di scrivere, i puntini sospensivi alla viltà, l'attrazione per un attore all'autonomia dell'opera d'arte, il trauma dei traslochi all'emancipazione delle donne, le piante alla smarginatura. La scrittura si definisce così come uno strumento paradossale, che

Read Book Il Libro Creativo Maggie

afferma perentoriamente proprio quando sembra negare e divagare. Per incidere le apparenze dello stereotipo, per recuperare il vero occultato sotto la patina del verosimile, entra in scena un punto di vista nomade, al tempo stesso vicino e lontano dalla nostra vita quotidiana. Scavare, andare in profondità sotto questa superficie significa, in particolare, ripensare l'immaginario femminile come uno splendido graffito ancora parzialmente sepolto. Oltre il denso strato dell'immaginario neo-patriarcale, della retorica dell'emancipazione o dei buoni sentimenti: da lì si sprigiona L'invenzione occasionale. (Tiziana de Rogatis, autrice di Elena Ferrante. Parole chiave)

beautiful works of hand-lettered art. The interactive format and step-by-step process offers inspirational instruction for a wide variety of fun projects and gift ideas, including hand-rendered phrases on paper and digitally enhanced note cards. Artists will also discover how to apply lettering to linen, coffee mugs, calendars, and more. Numerous practice pages and interactive prompts throughout the book invite readers to put their newfound lettering skills to use, as well as work out their artistic ideas. Covering a variety of styles and types of lettered art, including calligraphy, illustration, chalk lettering, and more, artists will find a plethora of exercises and tips to help them develop

Read Book II Libro Creativo Maggie

their own unique lettering style. Published in conjunction with a major exhibition at The Museum of Modern Art, this catalogue reveals new perspectives on the work of Frank Lloyd Wright, a designer so prolific and familiar as to nearly preclude critical reexamination. Structured as a series of inquiries into the Frank Lloyd Wright Foundation Archives, the book is a collection of scholarly explorations rather than an attempt to construct a master narrative. Each chapter centers on a key object from the archive that an invited author has "unpacked"-interpreting and contextualizing it, tracing its meanings and connections, and juxtaposing it with other works from the archive, from MoMA, or

Read Book II Libro Creativo Maggie

from outside collections. The publication aims to open up Wright's work to questions, interrogations, and debates, and to highlight interpretations by contemporary scholars, both established Wright experts and others considering this iconic figure from new and illuminating perspectives.

Acclaimed photographer Carl Warner invites you to explore colourful miniature landscapes made entirely of edible ingredients.

Jane tells the spectral story of the life and death of Maggie Nelson's aunt Jane, who was murdered in 1969 while a first-year law student at the University of Michigan. Though officially unsolved, Jane's murder was apparently the third in a series of seven brutal rape-murders in the area between 1967 and 1969.

Nelson was born a few years after Jane's death, and the narrative is suffused with the long shadow her murder cast over both the family and

Read Book II Libro Creativo Maggie

her psyche. Jane explores the nature of this haunting incident via a collage of poetry, prose, dream-accounts, and documentary sources, including local and national newspapers, related “true crime” books such as *The Michigan Murders* and *Killer Among Us*, and fragments from Jane's own diaries written when she was 13 and 21. Its eight sections cover Jane's childhood and early adulthood, her murder and its investigation, the direct and diffuse effect of her death on Nelson's girlhood and sisterhood, and a trip to Michigan Nelson took with her mother (Jane's sister) to retrace the path of Jane's final hours.
