Every mistake is an opportunity to make something beautiful. This is the central idea of *Beautiful Oops!*, Barney Saltzberg's beloved bestseller—and now *My Book of Beautiful Oops!*, an interactive journal for young artists, takes that principle into unexpected new directions. A hands-on journal that's meant to be personalized—drawn in, painted on, torn up, smudged, or otherwise artistically wrecked—*My Book of Beautiful Oops!* is filled with folded, crumpled, die-cut, and lift-the-flap pages that will challenge the reader's sense of play. The friendly green alligator from the first book prompts the reader: Bend a page. Decorate a smudge. Play with splats and spills. Even complete a poem that was accidentally ripped in half. *My Beautiful Book of Oops!* champions imagination, play, and the courage to express oneself. It's about self-forgiveness, about turning off that inner

critic that clamors for perfection. And it's about freedom—the freedom to be creative and follow your curiosity wherever it goes. That's a lesson to celebrate.
