But when the girls find out the annual fireworks are missing, Lois doubles down on her efforts for fame, testing her friendship in ways she couldn't imagine. With Kristen leaving for sleepaway camp after the barbecue and a new girl on the block taking all of Kristen's attention, will Lois be able to find the missing fireworks, celebrate the summer, and post the best #friendshipchallenge the internet has ever seen? *A fictional and complex portrait of bestselling author Patricia Highsmith caught up in the longing that would inspire her queer classic, *The Price of Salt Flung Out of Space* is an imagined portrait of the wild and complicated figure that was infamous crime writer Patricia Highsmith. As the story opens, we meet Pat begrudgingly writing low-brow comics. A drinker, a smoker, and a hater of life, Pat knows she can do better. Her brain churns with images of the great novel she could and should be writing—what will eventually be *Strangers on a Train* (which would later be adapted into a classic film by Alfred Hitchcock in 1951). Pat is a chronic womanizer, but she's ashamed of being gay, and so on the recommendation of her therapist, she enrolls in conversion therapy, where she meets many of her future sexual conquests. This is also not just the story of a queer woman, but of a queer artist. Written and illustrated by two heavyweights in the comics world—Grace Ellis and Hannah Templer, it's a comic about what it was like to write comics in the 1950s, but also about what it means to be a writer at any time in history, struggling to find your voice. *Flung Out of Space* isn't a rosy portrait of queer life, but rather an unflinching one. Ellis's savvy writing combines with Templer's stunning illustrations to create a work that will intrigue and fascinate comics fans. An afterword written by Highsmith's authorized biographer, Joan Schenkar, contextualizes the writer's life with this fictional portrayal and offers insight into Highsmith's complex legacy. Highsmith was unapologetic but guilt-ridden, talented but self-sabotaging, magnetic but withdrawn, vicious but hilarious. In short: She was a hell of a woman and a hell of a protagonist.*

Raven has orders to follow, but Christian's seductive ways draw out her violent soul. Their journey is dangerous, their enemies ruthless, and one misstep could prove fatal.
