Mr. Popper and his family have penguins in the fridge and an ice rink in the basement in this hilarious Newbery Honor book that inspired the hit movie! How many penguins in the house is too many? Mr. Popper is a humble house painter living in Stillwater who dreams of faraway places like the South Pole. When an explorer responds to his letter by sending him a penguin named Captain Cook, Mr. Popper and his family's lives change forever. Soon one penguin becomes twelve, and the Poppers must set out on their own adventure to preserve their home. First published in 1938, Mr. Popper's Penguins is a classic tale that has enchanted young readers for generations. This ebook features an illustrated biography of Richard and Florence Atwater including rare photos from the authors' estate.
From two-time National Book Award finalist Eliot Schrefer comes an original penguin-tastic adventure inspired by the beloved classic Mr. Popper's Penguins. It's been years and years since the Popper family lived in Stillwater, but the town is still riding high on its former penguin residents. Across the river, in Hillport, residents try to re-create the magic with penguin carnival rides and penguin petting zoos, pretending they're the Popper originals. As the years have gone by, fewer and fewer people have come, and the small attractions shuttered. Nina and Joe Popper have just moved to Hillport with their mother. There's a lot to do: unpacking, scrubbing the floors, investigating the basement -- wait, what's this? Two penguin eggs are tucked snugly near the furnace! It's up to Nina and Joe to find their newly hatched penguin chicks a home. Setting off on the adventure of a lifetime, they endure perilous storms, a long journey to the Arctic, and of course, penguins. Lots and lots of Popper penguins!

It's finally summer and Amber Brown is going to London to visit her aunt Pam and then to Paris to visit with her father. She is one excited kid before she goes. And one itchy kid when she arrives. Mosquito bites, she thinks. Chicken pox, she finds out. Is her vacation completely ruined? And now that she can't go to Paris, how will she be able to convince her dad to move back home?
Mr. Popper lives a sensible life as a house painter, making just enough to live on. He often wishes he has seen the world before settling down - particularly the North and South Poles. As a busy summer of work ends, Mr. Popper prepares to spend his off-season reading about Arctic regions. He even writes to his favorite explorer, Admiral Drake. He does not expect that Admiral Drake will answer, but he does - and in a very unexpected way. With the arrival of a penguin named Captain Cook, life at the Popper's will never be the same! Captain Cook starts to get sick from loneliness, so a zoo sends its lovely penguin, Greta. Soon Captain Cook and his new mate lay eggs, and 10 new little penguins join the crowd. Complications set in as Mr. Popper, who doesn't even have money for roast beef or ice cream, starts buying enough shrimp for 12 penguins. Then he has the furnace removed and a freezing unit installed in the basement. Now suddenly faced with debts he can't pay, Mr. Popper comes up with a solution: he'll begin a performing penguin act! So begins the family's adventures across the country, living in hotels, performing on vaudeville stages, and making enough money to pay off their debts and more. Unfortunately traveling can be exhausting, and near the end of their tour Mr. Popper makes a terrible mistake. He takes them to the wrong theater, the penguins frolic with the seals, and chaos erupts. Luckily, as Mr. Popper and his penguins languish in jail, Admiral Drake arrives and rescues them. As the family heads for home, Admiral Drake offers to take the penguins to the North Pole, and invites Mr. Popper to accompany them. Interactive CD-rom.

Wahoo Cray has grown up with a zoo in his backyard - alligators, snakes, rats, monkeys, parrots, but it's his dad who's the unpredictable critter. When his dad takes a job with a reality TV show called 'Expedition Survival', Wahoo figures he'll have to do a bit of wrangling himself to keep his dad from killing the show's inept star Derek Badger, who insists on using real wild animals for his stunts. And Wahoo's acquired a shadow named Tuna, a girl who's sporting a shiner courtesy of her old man and needs a place to hide out. They've only been on location in the Everglades for a day before Derek gets bitten by a bat and goes missing in a storm. Search parties promptly get lost themselves. And Tuna's dad shows up with a gun... It's anyone's guess who will actually survive 'Expedition Survival!'

If you could have any animal's front teeth, whose would you choose? WHAT IF YOU HAD ANIMAL TEETH? takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's survival. At the end of the book, children will discover why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal's teeth on the right.
When Burdock, a young barn cat, sneaks into the house to get warm he hears that the farmer, Dewey Baxter, has terrible plans that will endanger all the animals, and he leads them in an attempt to escape before it is too late.
