Parents want their children to discover the value of God's Word. My First Message is a one-of-a-kind Bible that transforms family devotions into interactive experiences. The great Message style offers a version of the Bible that is easy to read and

understand. Children ages 4-8 are encouraged to learn to study the Bible through a “read, think, pray, and live” approach. Filled with lively illustrations and fun activities for parents and children, My First Message keeps in mind the short attention span of its readers and moves the stories along at a good pace. Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you’ll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear

-Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with

others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million,

he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to

the world. Shetty proves that everyone can—and should—think like a monk.

“If all I did for the next 10 years was pass along this book to hungry youth leaders, I would have a fruitful decade.” —Dave Rahn, Senior Vice President and

Chief Ministry Officer for Youth For Christ “In this book, Rick calls us to run arm-in-arm with teenagers—to the epicenter of that mystery, that person, that incarnate child, that troublemaker, that up-ender, that ultimate rescuer.” —Mark Oestreicher, Partner, The Youth Cartel

There’s a surging hunger among teenagers for Jesus. New research shows that they want a clearer understanding of what Jesus really said and did, and how faith in matters in their lives. In fact, that desire is so deep, it’s #1 on their “wish list” for what they’d like to talk about at church. But are we doing that? Even though we assume that everything we do in youth ministry is about Jesus, the

evidence is clear: That's not what our students say they're experiencing. So what would a youth ministry look like if it shifted toward a passionate, persistent, and permeating focus on drawing students into a closer orbit around Jesus? Inside the pages of *Jesus-Centered Youth Ministry*, you'll discover the foundation for a ministry that is Jesus-centered, along with the bricks for building it. You'll discover that not only is it possible to create this kind of ministry, it's also essential that you pursue this path. Eight years after his book was first published, introducing the language and structure of a new way of doing youth ministry, author and longtime *Group Magazine* editor
