schedule in the mail, and first on the list is the mother of all loathed college courses . . . CALCULUS! Not to fear-The Complete Idiot's Guide to Calculus, Second Edition, like its predecessor, is a curriculum-based companion book created with this audience in mind. This new edition continues the tradition of taking the sting out of calculus by adding more explanatory graphs and illustrations and doubling the number of practice problems! By the time readers are finished, they will have a solid understanding (maybe even a newfound appreciation) for this useful form of math. And with any luck, they may even be able to make sense of their textbooks and teachers.

You're no idiot, of course. You know life is a journey and that physical birth and death are its points of transition. Many people, across cultures and faiths, believe the spirit lives on—and have experienced contact with the spirits of loved ones who have passed to the higher side. This contact is joyous, comforting, and healing—but you wonder if it's really real and whether you can share in it, too. Don't give up the spirit! The Complete Idiot's Guide® to Communicating with Spirits will show you exactly how to uncover your own mediumistic capabilities and connect with those no longer on the earth plane. In this Complete Idiot's Guide®, you get: --Tips on how to connect with your personal divine energy through prayer, meditation, and dreams. --Information on the birth of the human soul—as perceived through theological, metaphysical, and spiritual viewpoints. --Exercises to help you develop your mediumistic abilities. --Tangible evidence of the continuity of life as presented through the experiences and spirit drawings of medium Rita S. Berkowitz.

A revised edition to a solid performing book, with expanded content on various philosophers and ideas. -- The current edition has sold over 61,000 since its release in November of 1997. -- Existing content is great, but needs to be added to in order to more effectively compete with Philosophy for Dummies, which, at 360 pages, is 100 pages over our current edition. -- By its very nature, philosophy is not subject to a great deal of change over time, and therefore can be expected to continue to perform at or above current levels. Philosophy is all about being, knowing, and acting. It poses daring questions such as what exists, what counts as knowledge, and how do we know things? And, as life becomes more and more

complicated, people turn to philosophy to help themselves better understand the world around them-politics, religion, family, the environment, and more. The Complete Idiot's Guide® to Philosophy, Second Edition will continue the first edition's success in exposing beginners to the world of philosophy, its ideas, and its philosophers. It will contain expanded content on existing ideas and philosophers covered in the first edition, but it will also introduce new philosophers whose ideas were not included in the first edition, but whose contributions to the world of philosophy are perhaps now less obscure.
