HOW TO SUCCEED IN HEAVEN WITHOUT REALLY DYING is not a self-help book, but a darkly satirical, modern-day urban fairy tale concerning the adventures of a young man coming to terms with life, death, and all their crummy consequences. It's also the underground novel that prompted a letter of complaint from a member of the Church of Scientology, even though the author wrote enough to offend just about everybody. "A masterpiece." -Christie Schuler Smith, *The Valdosta Voice*"McDaniel shows real storytelling talent and a penchant for irreverent humor." -Debbie Lee Wesselmann, author of *Trutor & the Balloonist* and *The Earth and the Sky*"A little gem I personally found myself laughing out loud for more than is strictly healthy." -Nigel, *Booklore: The Site for Book Lovers / Booklore.co.uk*"Wonderful characters and clever situations, laced with a hilarious and occasionally sick and twisted sense of humor It's funny, exciting, poignant, even scary, with some big surprises and nice twists " -Brian Cartigan, *Bookmuse.com*

A classic, prize-winning novel about an epic migration and a lone woman haunted by the past in frontier Waipu. In the 1850s, a group of settlers established a community at Waipu in the northern part of New Zealand. They were led there by a stern preacher, Norman McLeod. The community had followed him from Scotland in 1817 to found a settlement in Nova Scotia, then subsequently to New Zealand via Australia. Their incredible journeys actually happened, and in this winner of the New Zealand Book Awards, Fiona Kidman breathes life and contemporary relevance into the facts by creating a remarkable fictional story of three women entangled in the migrations - Isabella, her daughter Annie and granddaughter Maria. McLeod's harsh leadership

meant that anyone who ran counter to him had to live a life of secrets. The 'secrets' encapsulated the spirit of these women in their varied reactions to McLeod's strict edicts and connect the past to the present and future.

'Wonderful, thoughtful, practical' - Cariad Lloyd, Griefcast 'Encouraging and inspiring' - Dr Kathryn Mannix, author of Amazon bestseller *With The End in Mind* End-of-life doula Anna Lyons and funeral director Louise Winter have joined forces to share a collection of the heartbreaking, surprising and uplifting stories of the ordinary and extraordinary lives they encounter every single day. From working with the living, the dying, the dead and the grieving, Anna and Louise reveal the lessons they've learned about life, death, love and loss. Together they've created a profound but practical guide to rethinking the one thing that's guaranteed to happen to us all. We are all going to die, and that's ok. Let's talk about it. This is a book about life and living, as much as it's a book about death and dying. It's a reflection on the beauties, blessings and tragedies of life, the exquisite agony and ecstasy of being alive, and the fragility of everything we hold dear. It's as simple and as complicated as that.

Susannah Spurgeon was the wife of the famous Baptist preacher of the second half of the nineteenth-century, Charles Haddon Spurgeon. She was born Susannah Thompson in January, 1832. Her early years were spent in London, where she often accompanied her parents or elderly friends to the New Park Street Chapel. She was converted upon hearing a sermon at the old Poultry Chapel by Rev S. B. Bergne from Romans 10:8 'From that service I date the dawning of the true light in my soul'. But her initial joy was replaced by 'seasons of darkness,

despondency, and doubt', and it was not until she was helped by the new, youthful, pastor of New Park Street Spurgeon that she found 'the peace and pardon [her] weary soul was longing for'. Her friendship with Spurgeon grew, and they were married in January 1856. Their twin sons, Charles Jr. and Thomas, were born in September, 1857. Susannah became a true partner in her husband's ministry. Spurgeon would call his 'wifey' to come and help him on Saturday afternoons. Together they would read commentaries and discuss the Scripture for the next day's sermon. If he was discouraged, she would read to him. She counselled women and girls in the church and assisted female candidates at baptismal services. Her activities were restricted at times when she became chronically ill in the late 1860s, and was often confined to her room, or visited Brighton for relief. In 1875, when she had proof-read the first volume of her husband's book *Lectures to My Students*, she expressed a desire to 'place it in the hands of every minister in England' and so began the ministry of her Book Fund. Within a year, over 3000 volumes of theological books had been distributed by the Fund; by the time of her death, over 200,000 volumes had been sent out. Today, the supplying of theological books free to ministers and missionaries continues through the Book Fund of the Banner of Truth Trust, modelled upon that started by Susannah Spurgeon. Susannah's work expanded to include other ministries, such as the Pastors' Aid Fund and the Westwood Clothing Society. In her remaining years, following Charles' death in 1892, she assisted Joseph Harrald in compiling C.H. Spurgeon's *Autobiography* and also wrote a number of devotional books, including *Free Grace and Dying Love*, published by the Trust (which volume contains a *Life of Susannah Spurgeon* by Charles

*Dowling Singh illuminates the profound psychological and spiritual transformations experiences by the dying as the natural process of death reconnects them with the source of their being. Examining the end of life in the light of current psychological understanding, religious wisdom, and compassionate medical science, The Grace of Dying offers a fresh, deeply comforting message of hope and courage as we contemplate the meaning of our mortality. While the prevailing Western medical tradition has seen death as an enemy to be fought and overcome, Singh offers a richer and more rewarding path of understanding. Combining extensive training and education in developmental psychology with profound spiritual insight, she balances expert analysis with moving accounts drawn from her experiences working with hundreds of dying patients at a large hospice. Singh moves beyond the five stages of dying revealed in Kübler-Ross's classic On Death and Dying, and finds in the "nearing death experience" even more significant and forming stages of surrender and transcendence. These stages involve the qualities of grace: letting go, radiance, focusing inward, silence, a sense of the sacred, wisdom, intensity, and, in the end, a merging with Spirit. Through this intense process, we come to experience at last the reality of our true self, which transcends our finite ego and bodily existence, and our merging with the source of being from which we originated. Dying is*

Written for those aware that their life is coming to an end, those who care for the dying, and, ultimately, for all of us who inevitably face our own death and the deaths of the people we love, The Grace in Dying reveals that dying is the most transforming, powerful, and spiritually rich of life's experiences.*

*Living and Dying with Grace is a book of aphoristic Sufi teachings on how to make one's way in the world—especially on how to bring spiritual insight to the affairs of daily life. Sufism, the mystical branch of Islam, contains a vast body of knowledge concerning the inner development of the complete human being. Among the greatest of Sufi masters, Hadrat 'Alî (598–661 CE), cousin and son-in-law of the Prophet Muhammad, is regarded as a paragon of compassion and virtue and a master of both exoteric and esoteric knowledge. He was not only a great warrior, statesman, and scholar, but also a devoted husband and father. Success in this life, 'Alî teaches, is bestowed on those who maintain generosity, intelligence, perseverance, integrity, and calm reflection. As for success in the hereafter, 'Alî says, "God, the Glorified, admits to Paradise anyone, at will, for truthfulness of intention and goodness of innermost thoughts." This book contains four hundred of Hadrat 'Alî's teachings, showing how people can use the everyday realities of their lives to cultivate wisdom and well-being, both temporal and eternal, offering a path to living and dying with grace.*

*Door is a “roadmap to the end that combines medical, practical, and spiritual guidance” (The Boston Globe). “A common sense path to define what a ‘good’ death looks like” (USA TODAY), The Art of Dying Well is about living as well as possible for as long as possible and adapting successfully to change. Packed with extraordinarily helpful insights and inspiring true stories, award-winning journalist Katy Butler shows how to thrive in later life (even when coping with a chronic medical condition), how to get the best from our health system, and how to make your own “good death” more likely. Butler explains how to successfully age in place, why to pick a younger doctor and how to have an honest conversation with them, when not to call 911, and how to make your death a sacred rite of passage rather than a medical event. This handbook of preparations—practical, communal, physical, and spiritual—will help you make the most of your remaining time, be it decades, years, or months. Based on Butler’s experience caring for aging parents, and hundreds of interviews with people who have successfully navigated our fragmented health system and helped their loved ones have good deaths, The Art of Dying Well also draws on the expertise of national leaders in family medicine, palliative care, geriatrics, oncology, and hospice. Pandimora has fled, but not before the elder, Lukais wraps his dark tentacles of power around her, poisoning her and barring the doors to her realm - forever. Hurt and grieving, Pandimora awakens on a snowy road - moments from being hit by Drew Maddox's fast moving truck. Her senses muddled, her powers muffled and her entire sense of self shaken, Pandimora reaches out to Drew in desperation, finding in him the young boy she once danced with in a field. In a world that waits for nothing, Sacred Waiting helps readers learn to wait on God. David Timms challenges believers to be attentive to God as were the faithful from Noah to David, from Paul to John--and all the saints in between. He demonstrates that their best moments arose from God's timing, not their own. In the process he reveals deep, transforming truths for those who want to go deeper into their relationship with God. Grounded in the stories of Scripture and everyday illustrations, Sacred Waiting explores a vital yet often neglected or misunderstood spiritual discipline.

Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.
