

Waking The Warrior Goddess: Harnessing The Power Of Nature And Natural Medicines To Achieve Extraordinary Health

"You met him in the Order of the Dragon Knights. Now, journey to the realm of the Fae and witness their greatest legend!" As leader of the Fenian Warriors, Aidan Kerrigan's accolades are many and his loyalty to the Fae unwavering. When an unexpected mission sends him to the human world and a chance encounter with Rose MacLaren, he's tempted for the first time in his existence to discard duty and claim what is forbidden. Rose MacLaren, a Society of the Thistle member, yearns to expand her botanical knowledge with her love of history. After her rescue by a handsome stranger, she is compelled to look beyond what her rational mind comprehends and unravel the secret of the standing stones, as well as the man who captivates her. In a mystical world ruled by ancient laws and edicts, can a fierce warrior choose a path destined for love? And will a woman honoring the ways of the land believe in a myth only spoken of in legends? If they do, will their love be enough to defy death's punishment?

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way to forward.

A revolutionary process based on the four chambers of the heart and rooted in Toltec wisdom that brings emotional clarity, healing, and freedom The Warrior Heart Practice is a powerful new method to reconnect with our sense of authenticity and inner-knowing and realign with our true nature. Author of the bestselling book Warrior Goddess Training, HeatherAsh Amara has trained extensively in the Toltec tradition under the tutelage of don Miguel Ruiz, author of The Four Agreements. The Warrior Heart Practice is a revolutionary system based on the four chambered structure of the human heart. Walking through each of the four chambers—Feeling, Story, Truth, and Intent—readers learn to take stock of their current emotional and mental state and reframe their situation in a new healing light. The process begins in the Feeling chamber as readers accept the emotions they are currently experiencing without fighting or judging them. It then continues into the next chamber as readers witness the Story that they are telling themselves. In the Truth chamber, they learn to thoughtfully and objectively evaluate the reality of the situation. In the final chamber, they learn to define and focus their Intent. The last phase of the practice is the most profound—taking the knowledge they have gathered from the four chambers, readers then walk backwards through each of the four chambers, refocusing their Intent, Truth, Story, and Feelings based on what they’ve learned during the process. The Warrior Heart Practice leads to deep insights as readers learn to step outside of their preconceptions to realign with their true purposes and goals.

Gothinad of Surazeus - Oracle of Gotha presents 150,792 lines of verse in 1,948 poems, lyrics, ballads, sonnets, dramatic monologues, eulogies, hymns, and epigrams written by Surazeu—1993 to 2000.

Learn about the ancient goddess traditions and reconnect with your femininity, your natural cycles and your intuition. Ancient civilizations once worshipped female deities and women were the leaders, counsellors and healers of their communities. Through the ages, the wisdom of the Goddess was then forgotten, and people around the world lost their connection to ancient feminine wisdom. In this practical guide, Tanishka, a leading teacher and author of women's wisdom traditions, introduces the main Goddess cultures and explains how their teachings and practices can empower and transform your life today. You will learn:
• the history, philosophy and practices of ancient Goddess traditions
• the seven Goddess archetypes and their corresponding chakras
• the life stages of the feminine journey and how to transition through each one
• rituals to reconnect with your inner goddess
• insight and tools to understand and align with the cycles of nature This book was previously published under the title Goddess Wisdom (Hay House Basics series).

A medieval world, a expert in 21st Century Guerrilla Warfare. What would happen if the two combine? Something dark is brewing on a planet far across dimensions, threatening to eat its way through the thin boundaries of time and space. On the planet Corvalis, just as war is near, the gods send a champion to defend the lands from evil. A simple man from Earth, John is selected to inhabit the body of a warrior of this strange new world, in the hopes that he might guide kingdoms to not only victory, but also the survival of multiple races. He is the gods' champion, and his arrival signals the precursor to a great unknown conflict. The Korath. The Illian. The Wolven. The Dark Ones. Kingdoms of different cultures and species clash as they struggle to learn about this new champion, and prepare for the coming conflict. But John soon discovers that the gods do not always work together. Soon more champions arrive, and the inhabitants of Corvalis grow concerned. There has never been more than one champion. Ever. As the kingdoms wonder what disaster awaits them, fear grips the world, as tension mounts. But John will not permit total annihilation to overcome the inhabitants of Corvalis for one very good reason. "Waking the Warrior Goddess" sums up with Dr. Horner's program for reclaiming health and defeating breast cancer. Each step is presented as a new strategy to implement into one's daily life. The program focuses on those nutrients and activities that bring health, vitality, and longevity to women. An extensive resources section lists contacts for obtaining various nutrients and toxin-free products to keep your warrior goddess strong and healthy.

Many are familiar with Joseph Campbell's theory of the hero's journey, the idea that every man from Moses to Hercules grows to adulthood while battling his alter-ego. This book explores the universal heroine's journey as she quests through world myth. Numerous stories from cultures as varied as Chile and Vietnam reveal heroines who battle for safety and identity, thereby upsetting popular notions of the passive, heroic heroine. Only after she has defeated her dark side and reintegrated can the heroine become the bestower of wisdom, the protecting queen and arch-crone. Instructors considering this book for use in a course may request an examination copy here.

When a young peasant girl is injured while hunting, she meets a strange, magical man who is a member of a despised race - Mujar. Truemen scorn the shape-shifting umnen for their odd, humble ways, and envy their power over the elements. Mujar do not use their powers for good or evil, they simply exist, immortal and apparently purposeless. Now a scourge is sweeping the land, armies of mounted warriors who cannot be defeated are wiping out Truemankind without mercy. They are known as the Black Riders, but no one knows where they come from or why they seem bent on exterminating every man, woman and child. Talsy traps the Mujar with gold, which has an odd effect on them, to make him help her, but her father intends to throw him in a Pit, from which he will be unable to escape. Talsy does not believe the Mujar deserves such a fate, so she frees him and begs him to take her with him on his journey. He agrees, and they set off across Shamares, continuing his quest to find an old hermit's lost son. There is far more at stake than Talsy realises, however, and she has innocently stumbled upon the last free Mujar, who has the power to decide the fate of her race.

Purity and Danger is acknowledged as a modern masterpiece of anthropology. It is widely cited in non-anthropological works and gave rise to a body of application, rebuttal and development within anthropology. In 1995 the book was included among the Times Literary Supplement's hundred most influential non-fiction works since WWII. Incorporating the philosophy of religion and science and a generally holistic approach to classification, Douglas demonstrates the relevance of anthropological enquiries to an audience outside her immediate academic circle. She offers an approach to understanding rules of purity by examining what is considered unclean in various cultures. She sheds light on the symbolism of what is considered clean and dirty in relation to order in secular and religious, modern and primitive life.

A beautiful collection of handwritten letters that offer strength and comfort to women living with breast cancer. Written by compassionate strangers—many of whom have gone through their own health battles—these heartfelt letters contain empathy, inspiration, and humor to help you overcome difficult moments. They were gathered by Girls Love Mail, an organization that provides support to people diagnosed with breast cancer. Also including beautiful illustrations, this is a book that can bring light to dark moments and make readers feel less alone during stressful and hard times.

The Sisterhood of the Oculus runs Shatra with mystic arts. The power required is sexually siphoned from sacrificial ejaculators. Yet endless generations of domination have sapped the vitality of the Empire's males. Having achieved the means to abduct 'energy vessels' from the fantastically advanced reality known as America, Empress Jia believes she's found a reprieve from her society's demise. Captured Californian Drake Green not only survives having his seed repeatedly leeches, he willingly thrives, wallowing in being victimized. If they can discover what makes this vessel so exceptional, fewer abductees will be needed, and the Sisterhood survives. Enthralled by the alluring warriorwitch Jia, Drake cannot but obey his brawnybeautiful new ruler. Despite the abhorrence of betraying his origins (and the surety that his aid is hastening his fatal replacement), the besotted sacrifice is forced to guide Jia on a predatory quest back to America. Inspired to find an endless supply of similarly vital men, the voracious succubus cuts a swathe through the LA fetish scene. Addicted to the lavish vitality of aggressivelybred men, Jia is content to stay and torment her pet indefinitely. The sadistic sorceress even attempts to augment their respective sexual equipment! Meanwhile Shatra's peril swells apace. It's not until undue notoriety forces Jia's attempted return that she learns the qualities they went in quest of may have been available all along - and will be needed like never previous.

Goddess Wisdom Made Easy

Esther Supernault put her life on the line for her beliefs. In Blue Diamond Journey, she shares her secret gift of insight and guidance from the world of spirit. Born of a Celtic and Native American heritage of seers, she narrates how she received incredibly detailed, sometimes humorous messages from her dreams, visions, and meditations—messages that she then validated with solid medical research. Day by day she was guided to specific foods, helpers, therapists, doctors, and books to heal her breast cancer—without chemo or radiation. Every person is part of an interconnected web as vast as this universe, rather than a collection of parts. Our innate, inner soul contains incredible healing wisdoms. Real healing honours this web of interaction—far beyond scientific logic or fact. What causes an illness will also help heal it. All the answers we need to heal are within us, and Esther demonstrates how to listen to those answers. Her journey slowly uncovers a rare diamond in the rough—the dawning evolution of a seer, visionary, and wisdom keeper. With her gifted, gentle healing messages, Esther weaves a marvelous, magical, true tale in Blue Diamond Journey.

*The Transformative Power of The Goddesses of Yoga How do you live a life of spiritual awakening as well as outer abundance, inner freedom as well as deep intimacy? How do you serve the world selflessly, yet passionately celebrate your life? The sages of Tantra have known for centuries that when you follow the path of Shakti — the sacred feminine principle personified by the goddesses of yoga — these gifts can manifest spontaneously. Yet most of us, women as well as men, have yet to experience the full potential of our inner feminine energies. In Awakening Shakti, you will learn how to recognize and invite:
• Kali, bringer of strength, fierce love, and untamed freedom
• Lakshmi, who confers prosperity and beauty
• Saraswati, for clarity of communication and intuition
• Radha, who carries the divine energy of spiritual longing
• Bhuvaneshwari, who creates the space for sacred transformation
• Parvati, to awaken creativity and the capacity to love With a wealth of meditations, visualizations, mantras, teachings, and beautifully told stories, Awakening Shakti provides a practical guide for activating the currents of the divine feminine in every aspect of your life. Sally Kempton has been studying and teaching the wisdom of yoga for 45 years. A highly regarded teacher of meditation and spiritual philosophy, she writes the popular Yoga Journal column "Wisdom." Sally teaches retreats, teleclasses and workshops internationally. She resides in Carmel Valley, California.

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

*'If you don't love and honour yourself with every fiber of your being, if you struggle with owning your power and passion, then it is time for an inner revolution! It is time to claim your Warrior Goddess energy.' This is a book that teaches women to see themselves as perfect just the way they are, to resist society's insistence that they seek value, wholeness and love through something outside themselves, such as a husband, children, boyfriend, career or a spiritual path. Author HeatherAsh Amara has written this book as a message for women struggling to find themselves under these false ideals. Amara challenges women to be 'warrior goddesses', to be a woman who:
• Ventures out to find herself
• Combats fear and doubt
• Reclaims her power and vibrancy
• Demonstrates her strength of compassion and fierce love Her approach draws on the wisdom from Buddhism, Toltec wisdom and ancient earth-based goddess spirituality, and combines them all with the goal of helping women become empowered, authentic and free. Included here are personal stories, rituals and exercises that encourage readers to begin their own journey towards becoming warrior goddesses.*

This ground-breaking study sets out a new understanding of transformations in the interaction between religion and political authority throughout history.

Rise Sister Rise is for the women who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. It is essentially a call to arms for women to rise up, tell their truth, and lead. Most women have spent much of their working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down their intuition, and ignoring the fierce power of their feminine. They have ignored the cycles of the feminine in order to survive in a patriarchal linear system - but now the world has changed. Rise Sister Rise is a transmission that calls the innate feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop women trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to fit into a certain archetype of woman. It's about co-creating a whole new archetype of woman - a woman who does not keep herself small in order to make others feel more comfortable. A woman who knows like she knows like she knows that she is not her body weight, her sexual partners, or her career. A woman who deeply respects the wise woman in her life and cultivates her own wisdom every single day. Full of tools, calls to action, contemplative questions, rituals, and confrontational exercises, this book teaches women that it is safe to let Shakti rise, safe to trust their intuition, and safe to take leaps of faith - because in healing ourselves we are healing the world.

This book explains, in easy-to-understand terms, the numerous (and sometimes complicated) factors that influence sleep and wakefulness. Although sleep deprivation is so commonplace in our stress-filled society that it is taken for granted, "sleep debt" is actually very costly. This title will help readers regain the ability to sleep well and improve overall health. This book also provides a handy guide to selecting and purchasing natural sleep remedies and lists additional resources for finding sleep-related information and products.

Marilu Henner was moving on with her life after a divorce when her old college classmate Michael Brown, whom she had not seen in over twenty years, called her out of nowhere. Within days of their reconnecting in 2003, they became inseparable. But only months later, Michael was diagnosed with bladder cancer, and then lung cancer. Marilu refused to lose the love of her life so easily. With the knowledge she had gained on her own health journey, Marilu set about finding a path for Michael that would use the best of Eastern and Western medicine to beat his cancers and return him to optimal health. He eschewed most traditional treatments, and with Marilu's help—aided by knowledgeable and sympathetic doctors—he forged his own path. Here, Marilu tells the story of their fast-paced romance, contrasted with the day-to-day battle for Michael's life. Michael tells the story from his point of view: the search for the cause of his cancer, the anguish he felt as he realized how responsible he was for his condition, the physical and mental hardships that he had to overcome, and the triumph of love that made it all worthwhile. Not a "how-to" book in the traditional sense, Changing Normal is a book of empowerment, a call for all those facing similar challenges to take responsibility for their lives, to search for the causes of their illness and address them directly.—Adapted from dust jacket.

As the magical holiday season is disrupted with an afternoon of horror, it becomes apparent that the Legions have begun their uprising around the globe, and Ana does her best to stay strong even though her world has been shattered. It is up to Ana to find the strength within and not fall prey to the dark side as she begins her chase to reclaim what's rightfully hers. Realizing that Ana's visions alone are not enough to protect them, her family begins her training immediately before she is targeted once more. The Legions will not quit until they get what they want, and they have made it clear that mortals will not be spared, leaving Ana little time to figure out what it is the demons are after. As Ana balances her time between chasing after her destiny and spending her time relearning how to fight demons, she learns something about her past that could change why she's fighting for anything at all. Clues continue to unfold in the form of yellowed letters she finds from Athen buried within an old Tudor home; and her future is signaled in a lone, white rose left for only her to see giving her the strength to persevere. She is determined to not give up faith that she will have it all once more.
