She's a romantic at heart, living in the most unromantic of worlds . . . Nicknamed Sweet Abelli for her docile nature, Elena smiles on cue and has a charming response for everything. She's the favored daughter, the perfect mafia principessa . . . or was. Now, all she can see in the mirror's reflection is blood staining her hands like crimson paint. They say first impressions are everything . . . In the murky waters of New York's underworld, Elena's sister is arranged to marry Nicolas Russo. A Made Man, a boss, a cheat-even measured against mafia standards. His reputation stretches far and wide and is darker than his black suits and ties. After his and Elena's first encounter ends with an accidental glare on her part, she realizes he's just as rude as he is handsome. She doesn't like the man or anything he stands for, though that doesn't stop her heart from pattering like rain against glass when he's near, nor the shiver that ghosts down her spine at the sound of his voice. And he's always near. Telling her what to do. Making her feel hotter than any future brother-in-law should. Elena may be the Sweet Abelli on the outside, but she's beginning to learn she has a taste for the darkness, for rough hands, cigarettes, and whiskey-colored eyes. Having already escaped one scandal, however, she can hardly afford to be swept up in another. Besides, even if he were hers, everyone knows you don't fall in love with a Made Man . . . right? This is a standalone forbidden romance.

Y: THE LAST MAN, winner of three Eisner Awards and one of the most critically acclaimed, best-selling comic books series of the last decade, is that rare example of a page-turner that is at once humorous, socially relevant and endlessly surprising.

Written by Brian K. Vaughan (LOST, PRIDE OF BAGHDAD, EX MACHINA) and with art by Pia Guerra, this is the saga of Yorick Brown-the only human survivor of a planet-wide plague that instantly kills every mammal possessing a Y chromosome.

Accompanied by a mysterious government agent, a brilliant young geneticist and his pet monkey, Ampersand, Yorick travels the world in search of his lost love and the answer to why he's the last man on earth. Collects Y THE LAST MAN #1-10.

Special Agents Shaw and McGregor handle the routine cases nowadays, which is just the way Shaw likes it. Shes pushing 40, a

borderline burnout, the ghastly memories of her last investigation still clinging like shadows. McGregor is younger, more dedicated, hanging onto some measure of idealism whatever the world might throw at him.

Yorick Brown, the only human male to survive a global sex-specific plague, may not be unique for much longer. As he makes his way across the remains of America (together with a secret government agent, a cloning specialist, and the only other male mammal to survive, Ampersand the monkey), the last man on Earth is about to have an unexpected visitation from above. Three astronauts are descending from the exhausted International Space Station, and two of them are men.

A MAN FOR ALL SEASONS In 2002, the world changes forever. Every man, every boy, every mammal with a Y chromosome everywhere on Earth suddenly collapses and dies. With the loss of nearly half the planet's population, the gears of society grind to a halt, and a world of women is left to pick up the pieces and try to keep civilization from collapsing entirely. The "gendercide," however, is not absolutely complete. For some unknown reason, one young man named Yorick Brown and his pet male monkey, Ampersand, are spared. Overnight, this anonymous twenty-something becomes the most important person on the planet - the key, it is hoped, to unlocking the secret of the mysterious sex-specific plague. For Yorick himself, the cause of the epidemic is less important than the fate of his beloved fiancée, Beth. Now, after nearly four years and countless grueling miles, the final answers are about to be revealed-and the truth may be more than any man could bear. In the conclusion to their acclaimed VERTIGO series Y: THE LAST MAN, writer Brian K. Vaughan and artist Pia Guerra bring to vivid life the age-old speculation: What would really happen to the last man on Earth? Collects Y: THE LAST MAN #49-60.

It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at "The Paper Palace"—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, *The Paper Palace* considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.

The British Isles were a tempting target to the Vikings, who craved lush land to farm and rich monasteries to plunder, and the fractured Saxon kingdoms were barely able to resist. But as time progressed and the centuries-old pagan belief in nature, the fates, and a raucous warrior afterlife were gradually replaced by the rigid traditions of Christianity, a dark ages culture war took shape. A New York Times Bestseller From #1 New York Times bestselling author Julia Quinn comes the story of Eloise Bridgerton, in the fifth of her beloved Regency-set novels featuring the charming, powerful Bridgerton family, now a series created by Shondaland for Netflix. ELOISE'S STORY Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

Former soldier and new mom Alana has already survived lethal assassins, rampaging armies and alien monstrosities, but now she faces her greatest challenge yet: the in-laws.
