'Essential reading.' - Susan Cain, author of Quiet Every day we speak around 16,000 words - but inside our minds we create tens of thousands more. Thoughts such as 'I'm not spending enough time with my children' or 'I'm not good enough to present my work' can seem to be unshakable facts. In reality, they're the judgemental opinions of our inner voice. Drawing on more than twenty years of academic research, consulting, and her own experiences overcoming adversity, Susan David PhD, a psychologist and faculty member at Harvard Medical School, has pioneered a new way to enable us to make peace with our inner self, achieve our most valued goals, make real change, and live life to the fullest. Susan David has found that emotionally agile people experience the same stresses and setbacks as anyone else. The difference is the emotionally agile know how to unhook themselves from unhelpful patterns, and how to create values-based success with better habits and behaviours. Emotional Agility describes a new way of living and relating to yourself and the world around you. Become aware of your true nature, learn to face your emotions with acceptance and generosity, act according to your deepest values, and flourish. 'An accessible, reader-friendly voyage. Emotional Agility can be helpful to anyone.' - Daniel Goleman, author of Emotional Intelligence Susan David has a PhD in psychology and a post-doctorate in emotions research from Yale. She is a psychologist at the Harvard Medical School and a founder and director at the Harvard/McLean-affiliated Institute of Coaching. Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.
