The first book-length study of romance novels to focus on issues of sexuality rather than gender, *Historical Romance Fiction* moves the ongoing debate about the value and appeal of heterosexual romance onto new ground, testing the claims of cutting-edge critical theorists on everything from popular classics by Georgette Heyer, to recent 'bodice rippers,' to historical fiction by John Fowles and A.S. Byatt. Beginning with her nomination of 'I love you' as the romance novel's defining speech act, Lisa Fletcher engages closely with speech-act theory and recent studies of performativity. The range of texts serves to illustrate Fletcher's definition of historical romance as a fictional mode dependent on the force and familiarity of the speech act, 'I love you', and permits Fletcher to provide a detailed account of the genre's history and development in both its popular and 'literary' manifestations. Written from a feminist and anti-homophobic perspective, Fletcher's subtle arguments about the romantic speech act serve to demonstrate the genre's dependence on repetition ('Romance can only quote') and the shaky ground on which the romance's heterosexual premise rests. Her exploration of the subgenre of cross-dressing novels is especially revealing in

this regard. With its deft mix of theoretical arguments and suggestive close readings, Fletcher's book will appeal to specialists in genre, speech act and performativity theory, and gender studies.

Can Devil convince Honoria that marrying him will be a more exciting adventure than anything she's dreamed? And if he succeeds, will they both survive? In A Rake's Vow, Vane Cynster, Devil's cousin and closest friend, determined to avoid Cupid's dart, takes refuge at his godmother's country house, where fate throws Patience Debbington literally into his arms. Her twin brother, Russell, who had fought with their father and left the family home to work with the finest racehorses, has disappeared. requires a musical lure to tempt the haut ton to her events, and in the elevated circles she inhabits, only one musician commands sufficient cachet—the reclusive and notoriously reluctant Marquess of Albury. Frederick, Marquess of Albury, has fashioned a life for himself as a musical scholar, one he pursues largely out of sight of the ton. He might be renowned as a virtuoso on the pianoforte, yet he sees no reason to endure the smothering over-attentiveness of society. Then his mother inveigles him into meeting Stacie, and the challenge she lays before him is...tempting. On a number of fronts. Enough for him not to immediately refuse her. A dance of subtle persuasion ensues, and step by step, Frederick finds himself convinced that Stacie's plan has real merit and that it behooves him to support her. At least for one event. Stacie's first musical evening, featuring Frederick as the principal performer, is a massive success—until Fate takes a hand and lands them in a situation that forces them both to reassess. Does Frederick want more than the sterile, academic life he'd thought was for him? Can Stacie overcome her deepest fears and own to and reach for her girlhood dreams? Impulsive, arrogant, and used to getting his own way, Frederick finds his answer easily enough, but his new direction puts him on a collision course with Stacie's fears. Luckily, he thrives on challenges—which is just as well, because in addition to convincing Stacie that love can, indeed, conquer all, he and she must unravel the mystery of who is behind a spate of murderous attacks before the villain succeeds in eliminating all hope of a happy ending. Lewis Monteith's mission got off to a shaky start. Wounded in battle, he jumped from his ship rather than risk losing evidence that would bring down a traitor. Linnet's strength and wisdom have made her a respected leader at home. That's why she knows she'll be invaluable to Lewis - if only he'll let her in. Linnet has no doubt that Lewis is the man for her. Her only battle now is in convincing him that the connection they feel is real and everlasting and that her offer of help can save him - before it's too late. Determined to claim her, he embarks on a seduction to prove his mastery over every inch of her body . . . and every piece of her heart.

And when a traitorous intrigue threatens them both, she discovers that her first love—a man who will not rest until he has made her his own—is her fated champion and protector.
