There are lots of events with a political or even a social significance that occurs at the present time. These events are collectively called current affairs. Current events could be looked upon in the world point of view or from the viewpoint of a single country. Certain events that occur in a country can impact the phenomena happening in other areas of earth. Hence current affairs have a significant role. Even though it's sometimes tough to recall all the particulars of the current affairs, you should understand that this segment is present in every competitive examination. Here are some tips to recall current affairs. 1) Create a mind map of the various segments of present affairs. As a subject current affairs topic is very broad and diverse. It may consist of anything from political events to sports into history to arts and even market. 2) Be up-to-date with the latest and recent improvements. 3) Co-relate together with the phenomena of the past occasions. 4) Make chronological order of events under different headings. 5) Finally, try current events quiz which makes it possible to hone up your skills better.

Believe it or not, India has one of the largest coal reserves in Asia, but still relies on imports from Australia and Mozambique... India ' s coal reserves were the lifeline that fuelled the British Empire in Asia, and yet today this industry is on the verge of collapse. Coal was at the centre of a major political scandal that nearly sent a prime minister to jail. This one-of-a-kind book unveils the murky politics around coal - the resource that could provide India all the energy security it needs.
