

## Druid Magic Handbook Ritual Magic Rooted In The Living Earth

*Who were the Druids? What do we know about them? Do they still exist today? The Druids first came into focus in Western Europe - Gaul, Britain, and Ireland - in the second century BC. They are a popular subject; they have been known and discussed for over 2,000 years and few figures flit so elusively through history. They are enigmatic and puzzling, partly because of the lack of knowledge about them has resulted in a wide spectrum of interpretations. Barry Cunliffe takes the reader through the evidence relating to the Druids, trying to decide what can be said and what can't be said about them. He examines why the nature of the druid caste changed quite dramatically over time, and how successive generations have interpreted the phenomenon in very different ways. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.*

*The first written account by a contemporary Welsh initiate of the ancient tradition of sex magic as practiced by generations of Celtic druids. • Reveals authentic, accurate, and fully illustrated instructions. • Provides detailed instructions for crafting, purifying, and energizing all the necessary ritual tools. Sex magic is an important component of Celtic spiritual practice. Unlike other ritual practices that look to intermediaries or deities to execute the participants' wishes, druids believe that individuals can directly influence exterior reality by focusing their own internal sexual energy. Sex magic potentizes and projects this energy so that it reaches its full power, allowing the participants to liberate their consciousness from everyday awareness and influence reality at will. Written by a practicing druid with more than forty years in the tradition, Celtic Sex Magic explains the fundamental principles involved in channeling the vast amounts of energy generated during orgasm for the purpose of projecting spells and elevating consciousness. The secrets of this tradition have been passed down orally for generations and are revealed here in print for the first time. This workbook contains authentic, accurate, and fully illustrated instructions for a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners. The author also provides detailed instructions for crafting the necessary ritual tools and brewing the potions used in these rituals. Celtic Sex Magic offers the keys to unlocking and directing the enormous potential of sexual energy.*

*King Arthur would get advice from his magician, Merlyn, in the mythic stories. The real Arthur (who lived over 500 years before the period of the mythic Arthur) was trained by a Druid bard and poet named Merlyn. The result was an unprecedented period of peace that lasted for twenty years. In Douglas Monroe's *The 21 Lessons of Merlyn*, you'll read delightful stories based on the historic Arthur and Merlyn. Each one is followed by lessons based on the never-before-published 16th century manuscript entitled *The Book of Pheryllt*. In a metaphoric sense, you'll see how Arthur learned his lessons. In a practical sense, you be learning the same sort of lessons that Arthur may have learned. This is truly a complete course in authentic Celtic Druidism and magick. Filled with lore, philosophy, wisdom, rituals, and more, you'll be able to apply many of these concepts to improve your life. If you are looking for accurate information, this is the place to start! Douglas Monroe has studied magick since he was ten years old and has taught in the United States, Britain, and South America, and is the founder of the New Forest Centre for Magickal Studies. His own illustrations and charts fill the book and clarify the deep teachings of the ancient Druids. From learning about Stonehenge to the Rite of the 3 Rays for protective purification; from learning the four herbs that will aid in conserving male sexual energy to discovering the secrets of calling the Dragon (the power of the ley lines); this book is like a full course meal in a cafeteria of magick. If you are really interested in gaining a thorough understanding of the real tradition of the Druids — what they believed, what they practiced and how to incorporate it into your life — then join with 120,000 other people. Get this book today!*

*Perhaps the most mystical, magical people ever known were the Druids. They were wizards, storytellers, teachers and spiritual leaders. They were attuned to the Earth and the Sun. And they were very powerful. couldn't it be amazing if you could be a Druid? Now you can with the secrets revealed in *Druid Magick*. This book presents everything you need to know to become a Druid and even start your own Druid "Grove" (the name of a Druid group). You'll learn about the Druid's tools - the sickle, wand, cord and more - and how to make and use them. You'll discover all of the beliefs the Druids hold, including the emphasis on honor and ethics. You'll learn how a Druid sees the Divine in everything and how even sex can be sacred. And of course you'll learn the secrets of the magic of the Druids. You'll learn how to do protection spells and how to use magic to find missing items. You'll learn how you can visit other "worlds" or levels of reality. You'll even learn how to do shapeshifting and experience the world as an animal! Are you having a mental block? With this book you'll learn how to tap into the creativity that was a hallmark of the Druids. You'll be able to write, draw, write or perform music with much greater ease and depth than ever before. Become a Druid can bring you all this and more! *Druidry* is far more than historic Celtic leadership. It is a living, growing, spiritual tradition that can bring you more self-assurance and self-development than you've ever had before. Jump out of the ordinary! Try something new to bring that spark back into your life. Discover the secrets of *Druid Magic*. Winner of the 2001 Coalition of Visionary Resources (COVR) Award for best Magic Book*

*Sacred Fire, Holy Well is an approach to a modern practice of Celtic Paganism and magical arts. Centered in the lore of the Gaelic Celts it offers a simple summary of Irish mythic lore, and ritual patterns for individual and group worship. It also provides complete instruction in a system of Druidic magical work, trance vision, spellbinding and work with spirits.*

*In the midst of the eighteenth-century Enlightenment, a handful of British intellectuals turned their backs on the social and cultural trends of their time and set out to reinvent the spirituality of the ancient Druids. The movement that rose out of this effort played a central role in struggles for cultural identity in most of the Celtic nations of Europe, provided inspiration to such world-class creative talents as William Blake and Frank Lloyd Wright, and inspired an innovative tradition of Western nature spirituality that remains active to this day. *The Druid Revival Reader* provides the first collection of original writings from that movement. Its selections, beginning with William Stukeley's survey of Druid theology from 1743 and ending with Ross Nichols' 1947 essay "An Examination of Creative Myth," cover two centuries in the life of an evolving tradition. Edited and introduced by contemporary Druid John Michael Greer, *The Druid Revival Reader* is essential for understanding the sources of modern Druid and Pagan traditions, and offers a wealth of insights relevant to the ecological and spiritual crises of our own time.*

*In this age of high technology, GM foods and industrial farming, many people are looking for an alternative way to live, that honours and respects the natural world. *The Druid Garden* mines the deep seem of gardening through the ages and alternative modern developments, to bring the reader a method of gardening that is truly in touch with the Earth. Drawing on the knowledge of the Druids and other ancient cultures, Luke Eastwood has created a practical guide to organic and natural methods that are proven to work. Advice for the total beginner, through to the experienced, ties together Druidic wisdom with the best of gardening knowledge. Part of this book is a handy alphabetical guide to trees, shrubs and herbaceous plants, giving a wealth of information on history and folklore, as well as practical details on plant care and growing from seed. This book is invaluable to anyone serious about organic gardening or those simply interested in how things were done in former ages, Celtic Europe in particular. *A guide to the history and practices of the Druids and the Celtic faith* • Reconstructs the Druidic faith from surviving remnants, parallels with other Indo-European traditions, and dedicated study of scholarly sources • Details magical rites and ceremonies, methods for consecrating an outdoor temple, and customs for celebrating important festivals such as Beltaine and Samhain • Discusses rules for firecraft, making offerings to deities and spirits, and the ancient Coligny calendar, including the names of the months in old Gaulish Druids and their magic, lore, and rituals have fascinated*

*all those who encounter them, from the ancient Greeks and Romans onward. Even today, the mere mention of their name evokes pictures of standing stones, mistletoe, golden sickles, white-robed priests, and powerful sorcerers. But were they really as we picture them? Drawing on comparative mythology and linguistics, archaeological evidence, and etymology, Teresa Cross offers readers a comprehensive course in the history and development of the Celtic spiritual tradition and its lore, reconstructing the Druidic faith from the remnants that have survived and dedicated study of scholarly sources. She also reveals parallels with other Indo-European traditions, such as the similarities between Celtic and Vedic Hindu beliefs and practices. She chronicles the ethics and spiritual teachings of Druidism and the Celtic faith and examines what happened to these beliefs during centuries of Christianization. Moving from history to practice, Cross details magical rites and ceremonies as practiced by modern-day followers of Druids. She explores the structure of the Toutha, which roughly corresponds to "tribe," methods for consecrating a nemeton, the outdoor temple that offers the optimum sacred space for the meeting of heaven and earth, and the rites and customs associated with important festivals such as Beltaine and Samhain. She also explores the rules of firecraft, the sacred art of giving to the cosmos, making offerings to deities and spirits, sacred food and beverages, and the ancient Coligny calendar, including the names of the months in old Gaulish. Offering an authentic handbook for starting your own Celtic group led by Druids, Cross reveals the meanings and metaphysics behind the Celtic and Druidic customs and traditions, reuniting the fragmentary remains of long-lost Druid culture with the still-living practices of the Celtic faith.*

Learning Ritual Magic is a training manual for anyone serious about improving their magic based on the western mystery traditions, including tarot, ritual magic, Qabalah, and astrology. "What you get out of [magic] can be measured precisely by what you are willing to put into it," the authors write. And just as no one expects to run a marathon or play violin concerto without sufficient training, so practitioners of the magical arts shouldn't expect to work complex, powerful magical rituals without a solid grounding in the techniques of Hermetic high magic. By spending at least a half hour a day practicing the lessons found in Learning Ritual Magic, the solitary apprentice attains the proper groundwork and experience for working ritual magic. Learning Ritual Magic provides lessons on meditation and a set of exercises designed to develop basic skills in imagination, will, memory, and self-knowledge, which are absolute fundamentals to magical attainment. While the authors discuss the essentials of magical theory, they focus on daily practice perspectives rather than launching into details of advanced practice. Designed for the solitary practitioner, Learning Ritual Magic concludes with a ceremony of self-initiation.

Acclaimed author and Archdruid John Michael Greer provides an in-depth beginner's guide to Druidry--a modern tradition of nature spirituality with ancient roots in Celtic traditions. Although we know little about the ancient Druids, their reputation for wisdom and harmony with nature lives on. Today, Druidry is a vibrant, diverse movement with groups and practitioners on every continent but Antarctica. Spiritual rather than religious--more an attitude than an ideology--it can be embraced by people from different faiths and backgrounds. Archdruid John Michael Greer explores the history and basics of Druidry; how to perform Druidic rituals, meditation, and divination; elements of the lifestyle; and advice for placing less of a burden on the Earth. Includes a simple self-initiation ritual for starting on the Druid path, as well as exercises to help you tap into the elements and learn to pay attention to the natural world.

A practical guide to creating plant extracts, essences, and complexes for use in Druidic sex magic rituals • Explores the identification, harvesting, and magical properties of more than 70 flowers and trees • Details the careful and meticulous spagyric preparation of plant extracts and complexes • Demonstrates how plant compounds are used in Druidic sex magic rituals by both couples and groups In this practical guide to Druidic plant magic, Jon G. Hughes reveals the gentle alchemy of converting plant essences into potent compounds for working sex magic rituals. Examining the identification, harvesting, and magical properties of more than 70 flowers and trees, he details the careful and meticulous spagyric preparation of plant extracts and complexes as well as the process of obtaining or creating suitable alchemical spirits for the base of these preparations. He includes instructions to make all necessary tools and explores how to prepare yourself to work with plant essences and properly use the magical compounds you create. Hughes explains how to release the energies, healing attributes, and magical capacities of flowers and trees through the respectful seduction of a plant's virtue and the 3-step spagyric process of separation, purification, and reunification. He shows how the spagyric process maximizes the power of the acquired essence in preparation for its use in a magical ritual. Detailing Druidic sex rituals for both a couple and a group, Hughes demonstrates how plant compounds are used in specific magical rituals and practices as well as the role of the plant complex in sexual potency. Exploring the underlying accord between alchemical and Druidic practices, Hughes provides a valuable manual for anyone wishing to harness the magical potential of plant energy.

Unleash the Magical Power of the Cosmic Wheel of the Year Tap into the energy of the stars for divination, ritual, magic, and psychic work Join author Sandra Kynes on an exploration of the night sky, looking beyond the moon to using the energy of the constellations in magical ways meaningful to twenty-first-century Pagans and Wiccans. Explore the history associated with each constellation and notable stars, as well as ways to engage them, with help from seventy illustrations and a variety of star maps. Organized around the Wheel of the Year, Magic lets you easily navigate chapters corresponding to both your current season and hemisphere. Discover the constellations of each season, from Virgo in spring to Aquarius in autumn, and dozens more. Use chakras, dream work, and astral travel to align with the stars and harness their power. With this comprehensive book's simple and straightforward methods, you'll reach a new level of magic and wonder that is out of this world.

Despite its popularity, the Golden Dawn system of magic has potentials that are all but untapped. Even the simplest Golden Dawn practices have aspects that have never been brought out in print. This book is the definitive practical handbook on the Cabalistic magic of the Golden Dawn. It goes step-by-step through the entire body of Cabalistic ritual magic, from simple building blocks to powerful advanced techniques. Includes 11 illus.

Druidry and Wicca, also known as "the Craft", are the two great streams of the Western Pagan tradition. Both traditions originated in the

British Isles, and both are now experiencing a renaissance all over the world, as more and more people seek a spirituality rooted in a nature.

Delve into the depths of a magical current that spans over two thousand years. The Book of Celtic Magic provides the unsurpassed practical magic and the transformative forces of ancient Celtica. Druid priest Kristoffer Hughes invites you to explore the pantheon, myth, and magic of his native Wales. Discover the magical allies, the gods and goddesses, and the spirits of place that form the foundation of vibrant tradition. Practice rituals that draw you closer to the divine energy of the trees, plants, and animals that surround you. Work with spells, conjurations, invocations, and magical tools that have been developed and refined from genuine Celtic sources. Complete with exercises and a glossary of terms, this step-by-step guide is a definitive source of authentic Celtic magic.

For the ancient Druids, the healing and magical properties of herbs were inseparable from the larger cycles of the seasons, the movement of the planets, and the progression of a human life. A Druid's Herbal shows the reader how to use herbs when creating rituals to celebrate festivals and significant life passages such as births, house blessings, weddings, funerals, and naming ceremonies. Drawing on extensive research and a deep personal experience with Pagan traditions, Ellen Evert Hopman explores the history and folklore surrounding the eight major Celtic festivals: Samhain, Winter Solstice, Imbolc, Spring Equinox, Beltaine, Summer Solstice, Lughnasad, and Fall Equinox. Included in each discussion are complete instructions on the medicinal and magical uses of the herbs associated with each celebration. Using these Celtic traditions as examples, the author suggests ways to incorporate the symbolic and magical power of herbs into personal rituals to honor all phases of life from childbirth to last rites. Also included are chapters on how to prepare herbal tinctures, salves, and poultices used by the Druids; herbal alchemy and the planets; and the relationships between herbs and sacred places. Filled with practical information and imaginative suggestions for using herbs for healing, ceremony, and magic, this book is an indispensable and comprehensive guide to age-old herbal practices.

A major study of the work of one of the seminal thinkers in Western Paganism. Ross Nichols was Chief of the Order of Bards Ovates and Druids until his death in 1975. He was a man who believed passionately in the power of myth, poetry, ritual and drama, and in the interconnectedness of the world's religious systems. This fascinating and wide-ranging selection of Ross Nichols' work contains writings on key themes including ritual, festivals, mythology, symbolism, temple architecture and archaeology, and the links between Druidry and other ancient wisdom traditions. It is the essential resource for students of Druidry and lovers of Celtic spirituality.

A comprehensive and revealing look at the druids and their fundamental role in Celtic society that dispels many of the misconceptions about these important religious figures and their doctrine • Written by the world's leading authority on Celtic culture Druidism was one of the greatest and most exalting adventures of the human spirit, attempting to reconcile the unreconcilable, the individual and the collective, creator and created, good and evil, day and night, past and future, and life and death. Because of the oral nature of Celtic civilization our understanding of its spiritual truths and rituals is necessarily incomplete. Yet evidence exists that can provide the modern reader with a better understanding of the doctrine that took druidic apprentices 20 years to learn in the remote forests of the British Isles and Gaul. Using the descriptions of the druids and their beliefs provided by the historians and chroniclers of classic antiquity--as well as those recorded by the insular Celts themselves when compelled, under Christianity's influence, to utilize writing to preserve their ancestral traditions--Jean Markale painstakingly pieces together all that is known for certain about them. The druids were more than simply the priests of the Celtic people; their influence extended to all aspects of Celtic life. The Druids covers everything concerning the Celtic religious domain, intellectual speculations, cultural or magical practices, various beliefs, and the so-called profane sciences that have come down from the Celtic priesthood.

Listen to the call of spirit and seek truth in wild groves, the shifting seasons, and the beauty of the Old Ways. Discover how to embark on this sacred green path and enrich your life with its ancient wisdom. Practicing Druid Penny Billington offers a clear and structured course of study grounded in Celtic history and mythology, and highlights the mysteries and modern practice of this nature-based tradition. Each chapter begins with an evocative visualization and captivating Welsh mythic tales from the Mabinogionare woven throughout, introducing lessons and key concepts. A series of hands-on exercises will help you internalize these truths, develop a spiritual awareness rooted in nature, build a relationship with the multi-dimensional world, and ultimately adopt a druidic worldview to guide you in everyday life. Archetypes Animal energy The elements The Nwyfre Symbols The Wheel of the Year The Otherworld Trees as teachers and healers Shapeshifting From joining a druidic community to starting out as a solitary practitioner, this unique spiritual guide offers advice on everything you need to know about practicing Druidry today. Praise: "I loved this rich and intuitive approach to the study of modern Druidry. Penny's book is full of wisdom and insight. The comprehensive course is accompanied by beautiful visualizations and carefully crafted inspirational exercises."—Barbara Erskine, bestselling author of Lady of Hay

AUTHENTIC DRUIDISM! Come venture into the deepest folds of the Green World, enter the Sacred Grove and initiate yourself to the greatest Celtic Mystery Tradition--the Wisdom of the Druids! Discovering true Druidic wisdom of these ancient legendary woodland mystics has never been clearer for our times! Drawing upon over two decades experience in the neodruidic community, Joshua Free's original underground masterpiece returns to life, newly revised and expanded

for this amazing 20th Anniversary presentation. Joshua Free's "Druid's Handbook" is a superior addition to any modern Druid's library--as part of a planned reissue of the author's classic trilogy of materials, including the newly released "Draconomicon." Providing a new vision with unparalleled clarity for modern Druidry, world renown occultist and mystic, Joshua Free explores the magic and deep teachings of Druidic Lore, including core doctrines and codes, triad teachings of the Bards, natural philosophy, the construction of ritual tools and performance of ceremonial magic involving the elements, trees and forces of Nature--all of which is presented in honor of the true spirit of authentic Druidism. Whether you are new to Druidry or simply looking to refresh your own practices, this concise, expertly written and beautifully presented guide to the ancient mysteries is sure to reenchant your everyday life with the Wisdom of the Druids. Practical Celtic magic in the traditions of the Druids.

Experience the Mystery and Magic of Contemporary Druidry The Book of Hedge Druidry is for those who feel called to explore a powerful earth-based spirituality rooted in Celtic lore. With hands-on practices as well as fascinating perspectives on what it means to be a Druid, this book walks you through the magic of the liminal realm and helps you fill your own cauldron of inspiration. Longtime Druid Joanna van der Hoeven guides you in creating an altar and crafting rituals based on the Wheel of the Year and important life passages. You will discover enchanting moon rites and ideas for daily practice as well as insights for working with herbs, spells, and the ogham alphabet. When you step onto the Hedge Druid's path, you learn to work with the in-between places, straddling the boundary between this world and the next and developing profound relationships with ancestors, goddesses, gods, spirits of place, and the Fair Folk. Druidry is a powerful tradition that evokes the mystical spirit of times past. This comprehensive guide to solitary Druidry will connect you to a higher wisdom for the benefit of all.

The classic guide to living a spiritual life rooted in Celtic antiquity and revived to meet the challenges of contemporary life. Druidry offers people a path of harmony through reconnection with the green Earth. The Druidry Handbook is the first hands-on manual of traditional British druid practice that explores the Sun Path of seasonal celebration, the Moon Path of meditation, and the Earth Path of living in harmony with nature as tools for crafting an Earth-honoring life here and now. From ritual and meditation to nature awareness and ecological action, John Michael Greer opens the door to a spirituality rooted in the living Earth. Featuring a mix of philosophy, rituals, spiritual practice, and lifestyle issues, The Druidry Handbook is an essential guide for those seriously interested in practicing a traditional form of druidry. It offers equal value to eclectics and solitary practitioners eager to incorporate more Earth-based spirituality into their own belief system.

This innovative system of self-initiation into ceremonial magic provides Druids with powerful rituals based on the life stages of the great magician Merlin. Featuring eight full ceremonial workings to perform throughout the year, this impressive guide deepens your spirituality and connects you to mysteries passed down across the ages. John Michael Greer presents a wealth of information on Merlin's life and myths as well as ancient initiations and how they intertwined with Celtic deities. Even if you have no experience with Druid magic, this book's detailed instructions make it easy to start your journey or enhance your spiritual path in exciting ways. By marrying ceremonial magic with the legend of Merlin, this vital work unlocks ancient wisdom for the modern magician.

"The desire to understand magic in any specific cultural context is an intellectual puzzle not only for scholars but believers." - Jim Baker  
Trees, and the magic associated with them, manifest the spiritual aspects of the Green World. Celtic Tree Mysteries revives the ancient knowledge and lore of the trees with a practical system of magical ritual and divination. Within the pages of this trusted reference guide, you will find comprehensive instruction and insight on the theory and practice of the Celtic Tree mysteries, including little-known and often misunderstood tenets. Learn the difference between the Ogham script and the Tree Alphabet (and how to use them together for magical purposes). Decipher the physical, mental, and spiritual lessons of the twenty trees of the Ogham, and how to incorporate their wisdom into your life. Find out how to create your own set of Ogham sticks . . . perform Otherworld journeys . . . and discover the deeper, hidden meanings contained within the beautiful, ancient Celtic legends and Green World lore. This is a Print-on-Demand title. Please allow an additional 2-3 days for delivery.

Druidism, the ancient shamanic religion of Britain is experiencing a major revival there and in America. This book is both a complete description of the Druid Way as well as a fascinating tour of the major Druid sites, ruins, and "power places". Includes specific suggestions for bringing this ancient wisdom tradition into our own lives and activities.

Since its origins in the early eighteenth century, Druidry--a modern movement of nature spirituality drawing much of its inspiration from Celtic tradition--has evolved a rich body of ceremonial and collective practice. Celebrated privately within groves this body of lore provides a ritual framework for the celebration of the seasonal cycle and the spiritual development of the individual. To this wealth of tradition, The Druid Grove Handbook is one of the few publicly available sources. Compiled from the records of the Ancient Order of Druids in America (AODA), and edited by the AODA's current Grand Archdruid, widely read author and environmental blogger John Michael Greer, it provides a detailed survey of the evolution of AODA's ceremonial traditions, and the complete rituals for opening and closing a Druid grove, initiating candidates for membership, and celebrating the solstices and equinoxes, the four primary holy days of the traditional Druid year.

Religions from around the world--Buddhism, Hinduism, Catholicism, Islam, and many more, including the Pagan earth religions--use prayer

beads as useful guides to remembering prayers and principles. Pagan Prayer Beads by John Michael Greer and Clare Vaughn is a unique and practical introduction to the design, creation, and use of Pagan rosaries, teaching the reader to design and make personal prayer beads for use in myriad spiritual practices. Co-written by a beading expert (Clare Vaughn) and one of the leading lights in modern Paganism (John Michael Greer), this book will garner an eager audience--from beginners to elders--looking for new inspiration in their personal spiritual practice. Beautifully written, instructive, and straightforward, Pagan Prayer Beads is user-friendly and easy to understand. Lovely black-and-white photographs accompany the text to further illustrate the art and craft of Pagan prayer beads. The how-to sections were "tested" by novices to both crafting and "the craft," who found the directions clear and easy to follow. Throughout the book, Greer and Vaughn have included fascinating history and lore as well as crystal properties, Pagan symbology, and deeply meaningful prayers and rituals to use with the rosaries. \* 30 lovely black-and-white photos accompany the beading instructions.

A step-by-step guide to the ancient tradition of sex magic as practiced by generations of Celtic Druids • Details a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners • Explains how to channel, intensify, and project your sexual energy for magical purposes • Provides instructions for crafting the necessary ritual tools, including wands, chalices, cauldrons, and attire, and for brewing the potions that accompany these rites One of the Druid's most powerful tools, sex magic harnesses and projects the immense natural energy produced by orgasm to liberate your consciousness from everyday awareness and influence reality at will. With more than 50 years in the Druidic tradition, Jon Hughes reveals the fundamentals of Celtic sex magic passed down secretly from generation to generation. He explains how to channel, intensify, and project your sexual energy for magical purposes and offers authentic instructions for a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners. In addition to the steps of preparation and closure for each ritual, he describes the workings of the 9 stages of the sex magic ritual--Awakening, Augmentation, Intensification, Quickening, Orgasm and Projection, Continuance, Relaxation, Scattering, and Gift. Hughes provides detailed instructions for crafting and consecrating the necessary ritual tools, including wands, chalices, and cauldrons, and for brewing the potions that accompany these rites. He also explores the power of emotion and intention in these sacred rituals, providing a complete guide to this ancient path of empowerment and magic.

If you're involved in any form of Celtic Wicca or Witchcraft, or if you just want to know more about the ancient Celtic Priests, the Druids, you need The Lost Books of Merlyn by Douglas Monroe. But you're not the only one who wanted this book. After his first book appeared, he received over 20,000 letters asking for more! That's the purpose of this book. The Lost Books of Merlyn is a series of writings which have come down to us as attributed through the pen of Merlyn, or ? more precisely ? as having originally been in his keeping. Merlyn (upon whom the mythical Merlin was based) was a Druid, and the Druids were the priest-priest-initiators of their people. So this book is a reconstruction of the ancient philosophy, beliefs, and methods for personal transformation you can use today. The book is composed of three parts, each one based on old Celtic legends, in the form of a story. Why was it written that way? "Because that is the way the Druids, the Celts, would have done it ? that is the way they taught." The three sections are "The Battle of the Trees," "The Book of Pheryllt," and "The Gorchan of Maeldrew." When these stories were originally told, the people knew the meanings of their symbolism. Not so, today. Therefore, at the end of each section is a grimoire explaining the meanings and, at the same time, sharing rituals, oracles, and magical methods. You'll learn about tree oracles, Celtic signs of power, and the Druidic pantheon of deities. You'll discover how to contact Faery folk, the power of words, and charms of protection. Revealed, too, is how to make and use dowsing rods to find ley lines, and the secrets of magical dance and music. Also, you'll find out the secrets of the "Charm of Making" and the proof that it was ancient before it was popularized in a movie. This just barely scratches the surface of the book. You'll find that the wisdom here will touch you and help you on your path. Read it and learn.

Exploring how we use the past to construct ourselves, and how we imagine the future.

*The unsettling dreams begin for small-town reporter Will Barbee not long after he first meets the mysterious and beautiful April Bell. They are vivid, powerful and deeply disturbing nightmares in which he commits atrocious acts. And one by one, his friends are meeting violent deaths. It is clear to Barbee that he is embroiled in something far beyond human understanding, something unspeakably evil. And it intimately involves the seductive, dangerously intoxicating April, and the question, 'Who is the Child of the Night?' When he discovers the answer to that, his world will change utterly.*

*Explore the powerful magic of the twenty-five trees in the ogham tradition. Enrich your spiritual practice with authentic Celtic wisdom and practical techniques. Written by a Druid witch and Celtic shaman, Celtic Tree Magic shows you how to: Practice ogham divination, charms,*

*and spells Work with each tree's magical correspondences and healing attributes Make salves, tinctures, ointments, and green crafts Find tree spirit allies in nature and the otherworld Fashion wands and other magical tools With exercises, hands-on tips, and an accessible exploration of folklore and myth, this lovely and lyrical handbook provides practical skills and deeper understandings for beginners and intermediate practitioners. Praise: "A trusted and guiding hand through the Celtic forests of wisdom and magic."—Kristoffer Hughes, author of The Book of Celtic Magic and founder of the Anglesey Druid Order "This lovely work offers a truly experiential journey...It offers the reader a richer understanding of nature and self."—Philip Carr-Gomm, Chosen Chief of the Order of Bards, Ovates, and Druids and author of Druid Mysteries "Danu Forest has made masterful use of the original sources...I heartily commend this book."—Nicholas R. Mann, author of Druid Magic*

*This book sets out to examine the wider concept of magic and mythology being utilised as an early form of social psychoanalysis by the druids, and how magic theory and occult symbolism developed from this. How this evolution of ritual magic eventually made its way into folklore, witchcraft and freemasonry. From the proto-shamanic world of the megalith builders, to the lost civilisations of the Atlantic fringe, along with the continual changes and challenges to the human experience in the face of traumatic cultural upheaval, the druids and their legacy have played a far more influential role than has been previously acknowledged. The Druid Code: Magic, Megaliths and Mythology utilises folklore connected to sacred sites, developing a bidirectional conduit back through time, to reveal what took place in 2500BC. A shift in human consciousness that made humans what we are today. From Atlantis to alchemy, you will never see history and mythology in the same way again.*

*The first and only Druidic book of spells, rituals, and practice. The Druid Magic Handbook is the first manual of magical practice in Druidry, one of the fastest growing branches of the Pagan movement. The book breaks new ground, teaching Druids how to practice ritual magic for practical and spiritual goals within their own tradition. What sets The Druid Magic Handbook apart is that it does not require the reader to use a particular pantheon or set of symbols. Although it presents one drawn from Welsh Druid tradition, it also shows the reader how to adapt rites and other practices to fit the deities and symbols most meaningful to them. This cutting edge system of ritual magic can be used by Druids, Pagans, Christians, and Thelemites alike! This is the first manual of Druidic magical practice ever, replete with spell work and rituals.*

*A century ago, Celtic groups descending from the famed Hermetic Order of the Golden Dawn pioneered a fascinating form of ceremonial magic invoking Pagan Celtic powers instead of relying on the more commonly used Judeo-Christian names and symbols. Those groups disappeared many decades ago, and their teachings were lost. But today, their legacy has been reborn. Respected occult author and Grand Archdruid John Michael Greer has re-created a complete magical system based on the Celtic Golden Dawn traditions. This new book provides students with a complete curriculum of Druidical magic and occult wisdom, including training in ceremonial magic, meditation, pathworking, divination, geomancy, and herbal alchemy, allowing self-initiation into the three degrees of Ovate, Bard, and Druid. Structured to resemble a long-lost correspondence course, The Celtic Golden Dawn presents a series of knowledge lectures, meditations, and rituals leading to mastery of the most important magical techniques.*

*Druidry is a wonderful, spiritually fulfilling life path. Through the magic that is Druidry, we build deep and abiding relationships with the natural world around us, and through our connection to the natural environment we walk a path of truth, honour and service. We aim to immerse ourselves in the present moment, in the present environment, in order to share in the blessing that is the cycle of life. Throughout the ages, people have withdrawn from the world in order to connect more fully with it. This book is an introductory guide for those who wish to walk the Druid path alone, for however long a time. It is about exploration and connection with the natural world, and finding our place within it. It covers the basics of Druidry and how, when applied to the everyday life, enriches it with a sense of beauty, magic and mystery. This book is for those people who feel called to seek their own path, to use their wit and intelligence, compassion and honour to create their own tradition within Druidry.*
