How can teachers make sure that all

students gain the reading skills they need to be successful in school and in life? In this book, Karen Tankersley describes the six foundational "threads" that students need to study in order to

Acces PDF Easy  
Grammar Grade 3

become effective readers: phonemic awareness, phonics and decoding, vocabulary, fluency, comprehension, and higher-order processing. For each area, the author explains how students acquire the reading skills they

need and offers a series of skill-building strategies and activities that teachers can use in the classroom.

Although reading is perhaps most intensely taught in the kindergarten and 1st-grade classrooms,

Tankersley

emphasizes that helping students become lifelong readers is a task for all teachers, including content-area teachers in middle and high schools. The Threads of Reading addresses key
