business administration
for decades. Today it is
an integral part of all
curricula in business
education and no student

can afford not to be
familiar with its basic
concepts and
instruments. At the same
time, business in
general, and management
accounting in

more and more
international. English
clearly has evolved as
the "lingua franca" of

The past few years have
shown that risks in
banking can impose
significant costs on the

claim and the narratives
used by bankers,
politicians, and
regulators to
rationalize the lack of
reform, exposing them as
invalid. Anat Admati and
