“Beginning investors have long assumed that there were a bunch of good books about foreclosure. In fact, there were none. Now, finally, there is one good one: John Schaub’s Building Wealth Buying Foreclosures.” —John T. Reed, author of How to Buy Real Estate for at Least 20% Below Market Value Foreclosures are one of the biggest real estate investment opportunities available in today's market. They also have a compelling benefit--when you buy a property on the brink of foreclosure, you're solving that problem for the previous owner, and getting a great deal in the process. Building Wealth Buying Foreclosures helps you target top properties and get the best deal, with tips on how to avoid scams, insight into the lender's perspective, and a checklist that helps you keep track of every step of the way. Inside information on how to Target only the right properties to buy Negotiate the best price Get a good deal on a mortgage Make the right offer at the right time Understand the lender's perspective Make sense of title insurance Decide to rent or sell the property "This is the most practical book on 'doing well by doing good' that I have ever read. My only hesitation in recommending it is that I may find myself competing against another investor who has read it because of my recommendation."--Dr. Gary North, Remnant Review "With foreclosures at an all time high, there's never been a better opportunity to buy good real estate at a bargain price. John Schaub, my favorite real estate guru for 30 years, shows you how to do it without getting into trouble. This book is a gold mine of how to buy real estate cheaply and profitably. Most other real estate gurus do one or the other, but not both!" --Mark Skousen, Editor, Forecasts & Strategies "John is the master of Real Estate Investing. His books show the reader how to build a successful investment business. Building Wealth Buying Foreclosures could not be more timely. This easy to understand and friendly book is a must for anyone desiring to achieve wealth through Real Estate." --Lisa Moren-Bromma, author of Wise Women in Real Estate and Real Estate Investing for The Utterly Confused It's true that great deals on foreclosures can always be found, but your ability to be successful is much greater when the number of foreclosures is very high. And there has never been a time when more foreclosure properties have been available than right now. Foreclosures provide a steady stream of opportunities where investors can buy houses at deep discounts. And investors know that all profitable investing is based on the same basic principle-buy for a low

As demand for real estate has skyrocketed, so have prices. But finding affordable properties to buy and sell for profit has actually never been easier! Why? Because foreclosures are at an all-time high, meaning banks and other lenders have unprecedented numbers of properties they are all too eager to unload. That's your opportunity to acquire prime properties -- both residential and commercial -- at incredible value, and build a substantial real estate portfolio that should give you great returns for years to come. But as easy as it might seem to be to profit in the foreclosure market, the route to success is rife with hazards that can quickly turn your journey into a disaster. A few precautions and some careful preparation can prevent a lot of headaches -- and bad investments -- down the road. The Complete Guide to Investing in Foreclosures is written to help you identify and take advantage of opportunities while avoiding the pitfalls. Best-selling author Steve Berges gives you:

- * Secrets for finding great properties before they're public knowledge
- * Foolproof strategies for buying properties at all stages of foreclosure
- * Important information you need to know before investing in any foreclosure
- * Powerful ways to take advantage of little-known alternatives like HUD, SBA, VA, and IRS properties, Fannie Mae and Freddie Mac foreclosures, pre- and post-foreclosure opportunities, and a lot more
- * A full selection of value assessment tools, lead-generation strategies, and practical step-by-step processes
- * The 7 Caveats of Investing in Foreclosures

Foreclosures may be the quickest and most reliable way to profit in real estate -- but you've got to know what you're doing. Whether you're new to the game or are already experienced in buying and selling foreclosed properties, The Complete Guide to Investing in Foreclosures gives you everything you need to make smart moves at every stage of the process.

"Filled with creative strategies that work in today's market. A must-read for the real estate investor!" -Albert Lowry, PhD, New York Times bestselling author of How You Can Become Financially Independent by Investing in Real Estate

A few years ago, even reckless real estate investors could still make money because the market was booming. But many markets have softened, and making a profit isn't as simple as it used to be. However-with the right strategy and long-term thinking-there is still plenty of money to be made in real estate. If you're willing to look outside your local market, you'll discover emerging markets that are booming. And there are also smart investing strategies that work especially well in slowing markets. You can do it! You just need the new rules and wise tactics you'll find in this practical, profitable guide:

- * Invest in up-and-coming, high-growth emerging markets

question the Smart & Easy Guide to Real Estate Investing asks you at the end of the introduction, after giving you an overview of the intricacies and peculiarities of the real estate business. Replete with practical and professional advice and step-by-step, easy guidance, this book should be read by everyone who intends buying a property for any reason. Written by a Realtor who today holds a broad portfolio of local and international properties, this Guide offers only genuine, unbiased advice for the benefit of an average real estate investor. However, the guidance herein can be used for buying residential and commercial properties of all sizes and value. Some of the topics of this Smart & Easy Guide include:

- Real estate planning
- Property selection, inspection and evaluation
- How to go about raising the finances
- How to control risk and boost your ROI
- Bargaining and negotiating the best deal
- Timing your buying and selling decisions
- Flipping and foreclosures
- Considerations for renting a property
- Commercial real estate investments and their complications
- Tax issues facing investors
- Investing in real estate mutual funds

Real estate can be termed as the sturdiest of all businesses. Barring exceptions, the value of a property in a growing market always goes up, unlike stock investments and other types of business. Also, unlike stocks, bonds or forex, property is a real asset. However, the real estate business is not free of problems and pitfalls. Making money with property investments requires a good understanding of the market and a lot of hard work. The book covers every aspect of real estate investing and gives you specific directions to channelize your energies. If you have failed to plan, you have planned to fail. The first thing that you need is an investment plan, and that's what the first chapter after the introduction talks about. It prompts you to think about various aspects of your investment, and gives you valuable tips about selecting and inspecting properties. Financing your real estate investment is a critical area, and the book covers the subject comprehensively, giving you solid advice about the available avenues of financing and the ones that you should be going for. As the saying in the real estate business goes, 'you don't make money selling properties, but buying them'. It is important to negotiate a good price and buy properties at below their assessed market value if you want a high ROI on your sale. The book has a chapter on bargaining, which contains some valuable tips on the subject. Sticking to a property for too long or selling it too soon can be counterproductive. Timings of your investment and liquidation are key, and the Guide lets you in on some insights that must have taken the author years of real estate investing to acquire. Man has a natural affinity to land, and real estate can be a fulfilling business, provided it's profitable. Like any other business, real estate also has specific considerations that are often unknown to a fresh starter. This

If you are interested in learning the mechanics of buying and selling homes in foreclosure from the experts, then this book is for you. California Residential Foreclosures takes you beyond the foreclosure hype and into the practical mechanics and legal framework required to successfully execute a sale or purchase of distressed residential property. Buyers and sellers will learn how to confidently complete transactions with simple step-by-step examples while gaining a comprehensive understanding of the pitfalls and prevailing laws that govern such transactions. Furthermore, this book will arm the equity purchase (EP) investor with the expertise needed to apply all EP rules, while personally handling the negotiations and documentation necessary to contract for, escrow and acquire a home during the period the property is in foreclosure. Real estate licensees and lawyers will find a comprehensive and complete treatment of the subject matter. Whether you act as an agent to a transaction or as an attorney advisor to a client, this book provides the most current laws and covers all the relevant statutory provisions that control interactions between sellers-in-foreclosure and investors. As this book goes to print, pending legislation may even require brokers representing EP investors to be bonded. Filled with scores of case examples that present the subject matter in an easy to understand, hands-on approach, California Residential Foreclosures will arm homeowners, investors, licensees and attorneys with the tools necessary to handle all aspects of the sale and acquisition of residential property in foreclosure.

A fully revised, new edition of one of the bestselling real estate investing guides of all time Through its five previous editions, Investing in Real Estate has shown investors how to intelligently build wealth with their investments in houses, condominiums, and small apartment buildings. Unlike many titles in this genre, Investing in Real Estate steers clear of the hyped-up “no cash, no credit, no problem” promises. Instead, it provides sound, real-world advice and instruction that reflects the author’s time-tested wisdom and experience. This book shows you how to invest profitably, safely, and reliably as you navigate the risks and opportunities of today’s property market. It covers all the topics investors need to master, including how to find, negotiate, finance, lease out, and manage your property acquisitions. Plus, you will discover how to add tens of thousands of dollars of value to nearly any property. Whether you plan to start investing or move your current investing strategy to a higher level, two decades of sales success testifies to the fact that this investing guide stands superior to any others that you will find. This new edition covers all the recent changes in the market, including the latest housing rescue legislation from Congress, a historical review of how to profit from property cycles, and insightful new ways to gain from the current excess inventories of for-sale properties, foreclosures, and REOs. • Author Gary W. Eldred has also authored ten other successful real estate titles, including The Beginner’s Guide to Real Estate Investing, The 106 Mistakes Homebuyers Make—and How to Avoid Them, and The 106 Mortgage Secrets that All Borrowers Must Learn—but Lenders Don’t Tell • Completely revised to cover current ways to prosper in today’s property markets • Includes new, insider techniques for foreclosure investing • Features fifteen new ways to profit with property investments • Shows you how to buy properties for less than they

are worth from many sources including auctions, bank sales, and homebuilders Investing in Real Estate, Sixth Edition retains its premier position as the most reliable, informative, and comprehensive guides to successful real estate investing.

MAKE MONEY IN SHORT-SALE FORECLOSURES Foreclosures are the most profitable way to invest in real estate. But most real estate books on foreclosures don't tell you how to invest in short-sale foreclosures--properties with even more profit potential than regular foreclosures. A short-sale foreclosure is a lender accepting a loan payoff for less than the amount owed. This comprehensive new guide from renowned real estate authors Chantal and Bill Carey covers all the ins and outs of short-sale foreclosure investing, from finding properties to negotiating with lenders, to closing the deal and making a bundle. Inside you'll find all the information you need to succeed: * Finding great short-sale foreclosure deals * Dealing with owners in financial distress * When to buy short-sale foreclosures * Creating equity in foreclosure properties * Writing successful short-sale offers * FHA, VA, and private mortgage insurance short-sales * Purchasing short-sale properties at auction * Understanding escrow, closing, and title insurance * Flipping short-sale properties

This book fills a gap in the existing resources available to students and professionals requiring an academically rigorous, but practically orientated source of knowledge about real estate finance. Written by a bank vice-president who for many years has practiced as a commercial lender and who teaches real estate investment at university level, and an academic whose area of study is finance and particularly valuation, this book will lead readers to truly understand the fundamentals of making a sound real estate investment decision. The focus is primarily on the valuation of leased properties such as apartment buildings, office buildings, retail centers, and warehouse space, rather than on owner occupied residential property.

Trump University books are practical, straightforward primers on the basics of doing business the Trump way—successfully.
