A smorgasbord of entertainment and lessons awaits readers as author Joe Farrell releases through Xlibris a unique memoir. *Confessions of a Catholic Schoolboy: Jesus Runs Away and Other Stories* chronicles his journey as a student who enjoys a carefree life amid schools of rigid discipline and stern religious training. In the early sixties, being in a Catholic school means being compelled to always abide by the rules: pray earnestly when told to do so, study the lessons to answer questions correctly, a "yes" or "no" answer should always be followed by "Sister", and never ever do anything that would upset or make the teachers mad. Through vivid narration, *Confessions of a Catholic Schoolboy* unveils the funny side that lurks behind the austere façade of Catholic Schools. It follows the author as he finds himself caught up in different mischief during grade school and to even more grave misbehaviors—including a police arrest—during high school and college. A baby boomer, Farrell's life is one that is carved by the tumult of the fifties and sixties and the social and personal dramas that come along with it. His is an interesting wave of colors brightened by adventure, discipline, lessons learned, friendship, and love. Providing a good glimpse into the life of pure Catholic training, *Confessions of a Catholic Schoolboy: Jesus Runs Away and Other Stories* is a witty revelation of a schoolboy's shenanigans and the
