so much as hearing back from the company. Even if a person gets an interview, there is no guarantee that they will leave a good impression. These days, despite more people having college degrees than ever before, it has become increasingly difficult to find a job. Whether you are hoping to get a high-level job at an elite company or an entry-level position at a local store, you are likely to be met with a number of challenges.

Yet, it doesn't have to be this way. Do you wish that finding an open position, writing a cover letter, crafting a resume, acing an interview, and getting a job was a simple matter of knowing how to play the game? This doesn't have to be a dream. While the "game" of life is certainly not something with strict questions and answers, as every person is different, there are many answers that can get you to success.
