## The 21st Century Public Manager

Over 30 years Ronald F. Duska has established himself as one of the leading scholars in business ethics. This book presents

Engineers and managers relate their experiences through personal first-hand accounts, vividly recalling the most important moments of Commodore's entry into computers in 1976 until its demise in 1994. The Commodore years are tumultuous, owing to

Unfortunately, Tramiel's cut throat tactics also prove to be his undoing. He uses up his managers and employees like disposable ink cartridges, producing the highest employee turnover rate in the industry.
