In today's world, yesterday's methods just don't work. Veteran coach and management consultant David Allen recognizes that time management is useless the minute your schedule is interrupted; setting priorities isn't relevant when your e-mail is down; procrastination solutions won't help if your goals aren't clear. Instead, Allen shares with readers the proven methods he has already introduced in seminars and at top organizations across the country. The key to Getting Things Done? Relaxation. Allen's premise is simple: our ability to be productive is directly proportional to our ability to relax. Only when our minds are clear and our thoughts are organized can we achieve stress-free productivity. His seamless system teaches us how to identify, track, and-

2019 version of Microsoft OneNote, the many users of this software across the world will notice that there have been some upgrades made to the system. The fact is that while Microsoft OneNote already has many fans, there were actually a few issues that the users just could not ignore. One such issue is the fact that the 2016 version of Microsoft OneNote was not equipped with a dark mode. The lack of a dark mode would still be evident even if the device that you are using does support a dark mode. There is, however, a multitude of great features that many users would like to see come back in the recently released 2019 version of the Microsoft OneNote
