This updated guidance on traditional windows covers both timber and metal windows and is aimed at building professionals and property owners. Historic windows are often of considerable importance to the significance of listed buildings. They can contribute to significance through their design, materials and workmanship. Detailed technical advice is provided on their maintenance, repair and thermal upgrading as well as on their restoration. The guidance also sets out our general approach when alteration or replacement requires listed building consent.

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century.

At just ten years old, Tommy has already been through more horror than most people suffer their entire lives. So when he's placed in his latest foster home, under the gentle care of Abe and Alabama Powers, he lashes out. He's scared, confused, angry...and convinced it won't be long before these new foster parents send him away, too. No one wants a boy his age, especially one who's broken, dirty. It'll take all of Alabama and Abe's love, the sibling adoration of his foster sisters, Brinique and Davisa, and Abe's entire extended SEAL family to prove to Tommy that being nice, being respectful, and opening his heart to love are things he can choose. Even still, despite so much support, it's hard for Tommy to believe he deserves a loving family, and a second chance at happiness. Until one of the most unexpected friends arrives, just when Tommy needs him the most. He'll show the little boy just how special he is...even if he has to use a little magic to prove it. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker never disappoints. Although the balance sheet may not even put a value on it, a company's brand or its portfolio of brands is in many cases its most valuable asset, accounting for as much as 70% of a firm's market value in some cases. This book argues that because of this and because of the power of not-for-profit brands like Oxfam, all organisations should make the brand their central organising principle, guiding every action and decision. Divided into three parts and written by eighteen experts on the subject, this fully revised and updated guide to brands and branding examines the case for brands, outlines best practice and the future for brands. It includes chapters on brand valuation, what makes a brand great, brand strategy, brand experience, visual and verbal identity, brand communications, brand protection and new chapters on branding in India and brands in a digital world.

However, taking them with her to the States requires something drastic, something crazy...something she can't do alone. What started as a mission, soon becomes fate. Since nearly dying on a previous op, Beckett "Ace" Morgan has no time for regrets. Life is far too short. So when he learns the brave, beautiful, selfless woman he's rescued has a better chance of getting three orphans out of the country if she's married, he doesn't hesitate. Ace marries her then and there, instantly gaining the family he's always wanted. With time, he knows his respect for Piper can grow into love, and meanwhile, he's saved both her and their new daughters from a fast-spreading rebel incursion. Protecting them from a threat waiting at home may be the biggest fight of Ace's life. ** Securing Piper is the 3rd book in the SEAL of Protection: Legacy Series. Aspen "Blade" Carlisle is the last of his Delta Force team to find love...and he's pretty bummed about that fact. Which might explain why he finds himself chatting up a telemarketer as if she's a long-lost friend. But Wendy is surprisingly easy to talk to, so when they go from occasional calls during her work, to nightly conversations on their cells, it somehow feels right. So right, Blade eventually convinces the funny, sweet woman to meet him in person. When their first face-to-face meeting gets high-jacked, Wendy Tucker is sure she and Aspen made a big mistake in taking their relationship to the next level. But the man is nothing if not persistent. Before long, Wendy's allowing the handsome soldier to spend more time with her and Jack, the teen brother she's raising, than anyone she's ever dated. Though she knows there are limits to how close she can get to Aspen, no matter how much she likes him. Limits carefully constructed to protect Wendy and Jack from a past they've been running from for years. But dating Blade means having an entire team of Deltas at her back. Which may come in handy not just with Wendy's past...but also when her brother faces a current threat. **Rescuing Wendy is the 8th book in the Delta Force Heroes Series. Kason "Benny" Sawyer was the last single man on his Navy SEAL team. He loved his teammates like brothers and respected each and every one of their women. They'd all been through hell and they deserved their current happiness. But seeing the love between his friends and their women made it tough to be the odd man out all the time. Jessyka Allen had a good life, until it wasn't anymore. Finding herself in an impossible situation, with no noticeable way out, her job was an escape. Working at the small Bar and Grill put her in contact with some wonderful people, who Jess figured couldn't ever understand what she was going through. Matthew "Wolf" Steel hated flying commercial. Luckily his job as a Navy SEAL meant he didn't have to do it very often. He'd been unlucky enough to be assigned a middle seat on the cramped jet, but fortunately for him, the woman next to him was willing to switch seats with him. Hoping for a relaxing flight, Wolf was pleasantly surprised at the good conversation and sense of humor the woman had as they flew 36,000 feet over the countryside. When Caroline boarded the plane to Virginia to move across the country for her new job she never expected to be seated next to the hottest guy she'd ever seen. She also never expected he'd be so easy to talk to. She knew he'd never be interested in talking to her if he hadn't been trapped in the seat next to her, but it was a nice way to spend a long plane ride. Neither Wolf nor Caroline were prepared for a terrorist hijacking of their plane, but if Caroline thought that would be the last time she'd

see, or need, Wolf, she'd be sorely mistaken. **Protecting Caroline is a stand-alone love story. From New York Times and USA Today bestselling author Susan Stoker comes a new story in her SEAL of Protection: Legacy Series... Over the years, Storm North has witnessed two teams of Navy SEALs under his command find true love. He doesn't expect the same for himself. He's too old. Too jaded. Too set in his ways. Until a woman who's been right in front of him for years manages to impress Storm in a way very few women—or men—ever have. Jane Hamilton knows it's ridiculous to have a crush on the charismatic and handsome admiral. She's the divorced mother of a twenty-six-year-old daughter. Too old for crushes. Too old for a lot of things. There's no chance she'll ever catch the eye of a man like Storm North. Until someone delivers a bomb to the base. As the civilian contractor in charge of the mail room, Jane finds herself in the direct line of fire, enduring a series of events that leads to a budding relationship with the very man she's been longing for. She couldn't be happier, and Storm feels the same. The only one unhappy, in fact, is the thwarted bomber. Unhappy enough to do something drastic. Now Storm and Jane have to work together to save innocent sailors—and themselves—from an explosive situation threatening their happily ever after. **Securing Jane is the 7th and final book in the SEAL of Protection: Legacy Series and a part of the 1001 Dark Nights collection. Each book is a stand-alone, with no cliffhanger endings. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.** Reviews for Securing Jane: "Ms. Stoker has saved the best till last. There was danger, mystery, suspense, with twists and turns that held me riveted." ~ Thelma and Louise Book Blog "This was a great story with great characters and I loved it!" ~ Dar Gee Reads "Suspense. New love. And a crazy bomber. Loved this story and Storm is the best. He's handsome and protective." ~ Whispers from the Mountains "The chemistry between them is off the charts crazy and they quickly develop a relationship they both have been longing for. This series never disappoints, this author never disappoints!" ~ Reading in the Red Room "It is the perfect balance of action and romance with characters that you can easily fall in love with." ~ MI Bookshelf

As a flight attendant, Rayne Jackson is used to cancellations, but she never dreamed her latest would lead to a whirlwind tour of London with a handsome stranger...or a life-altering night in his bed. One evening is all the enigmatic man can give her, and Rayne greedily takes it, despite suspecting it will never be enough. Heading home after another extreme mission, Keane "Ghost" Bryson hadn't planned to seduce someone during his layover, but Rayne is too sweet to resist. Being a Delta Force member means lying to protect his identity, which is unfortunate, considering Rayne seems made for Ghost, right down to the tattoo on her back. For the first time in his life, regret fills him as he slips away the following morning. Both are shocked when,

months later, they meet again—under the worst possible circumstances. Seems fate has given them a second chance...if they can survive the terrorist situation they're in. Blythe Coopman never imagined she'd be homeless, but a series of events has landed her on San Antonio's streets...hungry, tired, and scared. She clings to her most precious possession, a phone accidentally swiped from a local firefighter, who, instead of canceling the number, starts texting her. Soon, the man's calls and texts are the highlight of her days, but she declines his frequent offers of help. Blythe refuses to be his burden—until a vicious attack takes the decision out of her hands. When the woman he's already begun to care for ends up in the ER, Sawyer "Squirrel" McClay is livid—and ashamed. He should have insisted she accept his help long ago. Now, he's not taking no for an answer. While his friends rally round Blythe, Squirrel's bond with her grows stronger by the day, until he realizes he'll do anything to keep her safe, healthy, and happy...even as his own lifelong insecurities work against him. But despite leaving the streets behind, Blythe and Sawyer discover old dangers still linger, threatening to end the couple's new bliss before it's barely begun. ** Shelter for Blythe is the 11th book in the Badge of Honor: Texas Heroes Series. Each book is a stand-alone, with no cliffhanger endings.

Same story...updated cover! Cookie "Hunter" Knox was good at his job, infiltrating behind enemy lines was one of his specialties. His SEAL team relied on him to do his job, just as he relied on them to do theirs. Ever since two of his teammates found a woman that completed them, their dangerous Ops seemed a bit more intense. Cookie knew if he had a woman who belonged to him, he'd never let her go. Little did he know the SEAL team's latest mission to Mexico would change his life forever. Fiona Storme resigned herself to the fact that it was highly unlikely she would make it out of the jungle alive. Kidnapped by human traffickers, abused, and without family or friends looking for her, Fiona knew wishing for rescue was as realistic as having a big, juicy hamburger fall from the sky. Unbeknownst to Fiona, the SEAL team, including Cookie, were on the way, but their assignment didn't consist of rescuing her. **Protecting Fiona is the 3rd book in the SEAL of Protection Series. Get books four through six in the SEAL of Protection Series in a convenient low-priced package today. Over 500+ pages for suspense and hot Navy SEALs. Book 4: Protecting Summer Sam "Mozart" Reed's life changed the day his little sister was found abused and murdered when he was fifteen. He's spent the past nineteen years looking for the serial killer who took his sister from him and ruined his family. Using his connections, and SEAL training, Mozart believes he's finally tracked the killer to the town of Big Bear, California. Summer Pack is working in a crappy motel up at Big Bear Lake until she can find something better, more meaningful, more real. But somewhere in Big Bear, a killer is waiting to strike again. Watching for the perfect victim. Book 5: Protecting Cheyenne Cheyenne was used to seeing hot military men as she went about her daily business. An anonymous encounter at the grocery store cemented her crush on one such man. Always in control of any situation, Faulkner "Dude" Cooper knows explosives. Disfigured by a bomb while on a mission, he's used to being looked at with pity. When he's called to a local supermarket to assist the local PD, the last thing he expects to find is a generous act of kindness performed by a beautiful, amazing woman. Dude was able to save Cheyenne from the group of thugs trying to take her life, but when the past comes back to haunt them both, sometimes having the knowledge and the desire isn't enough to beat the countdown of the clock. Book 6: Protecting Jessyka Kason "Benny" Sawyer was the last single man on his Navy SEAL team, but seeing the love between his friends and their women made it tough to be the odd man out all the time. Jessyka Allen had a good life, until it wasn't anymore. Finding herself in an impossible situation, with no noticeable way out, her job was an escape. Being a SEAL, Benny thought he knew the true meaning of teamwork and friendship. But Jess would show him that everything he thought he knew about sacrifice, trust, and love, paled in comparison to what she brought into his world.

Cooper Nelson's SEAL career was cut drastically short when an explosion left him almost completely deaf. With so much of his pride and self-worth tied to the profession he loved above all else, Coop struggles in his nearly silent new world, his future seemingly bleak...until Commander Hurt badgers him into volunteering at the Riverton School for the Deaf. There, he meets teacher Kiera Hamilton, who opens his eyes—and his heart—to a love more fulfilling than any job could be. Ten years his senior, Kiera can't believe Coop would ever be interested in anything long term, but he patiently proves her wrong. And she's not the only one enamored with the sexy former-SEAL—her impressionable first-grade students are enthralled with the man, especially Frankie. The troubled young boy flourishes with each of Cooper's visits, which only makes Kiera fall harder. As he learns ASL, connects with the students, and gets closer to Kiera, Coop's happier than he's ever been...until an attempted abduction at the school threatens to take away everything that makes his new life worth living. **Protecting Kiera is the 9th book in the SEAL of Protection Series. It can be read as a stand-alone, but it's recommended you read the books in order to get maximum enjoyment out of the series. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker never disappoints. As a bomb expert, he's lived through many high pressure situations. Disfigured by a bomb while on a mission, he's used to being looked at with pity.
