Best-selling author shares his inspirational journey Today known as the author of the mega-seller The Bondage Breaker and the founder of Freedom in Christ ministries, Neil Anderson didn't always know that he was called to serve the Lord as a Christian minister. Though he is sure of his calling now, he readily admits that he has never sought a position in ministry and though he has founded and led a successful international parachurch organization, he refuses to spend a minute of his time to keep it in business. The son and grandson of Norwegian farmers, Anderson grew up in rural Minnesota. He was a fun-loving, sports-crazy child, and no one suspected that God had planted a seed in him that would lead first to years as a pastor, then to teach in seminary, write or coauthor sixty books, and found a global ministry. Here he honestly shares his journey, complete with struggles and trials as he learns to be guided by the Holy Spirit. Though he still asks God, "Why me?" he continues to set people on the path to true freedom in Christ.

In Curbing Traffic: The Human Case for Sixty Cars in Our Lives, mobility experts Melissa and Chris Bruntlett chronicle their experience living in the Netherlands and the benefits that result from treating cars as visitors rather than owners of the road. They weave their personal story with research and interviews with experts and Delft locals to help readers share the experience of living in a city designed for people. Their insights will help decision makers and advocates to better understand and communicate the human impacts of low-car cities: lower anxiety and stress, increased independence, social autonomy, inclusion, and improved mental and physical wellbeing. Curbing Traffic provides relatable, emotional, and personal reasons why it matters and inspiration for exporting the low-car city.

Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heaven's Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by God's design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picota's God's Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. It's not politically driven and it's not being championed by an uprising of angry "man-haters." Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world-by being you! Break off religious traditions that keep women trapped in "old school" legalism and move beyond Christian clichés that minimize a woman's true position in Christ!

Contrary to the fairy tales, receiving Christ does not mean that we won't have conflicts in our lives. However, we can overcome them because of our position in Christ as children of God. The Steps to Freedom in Christ helps Christians reclaim the promise of freedom that Christ offers all who come in His name. It includes a spiritual inventory to help identify and break free from condemning thoughts, compulsive behaviors, personal conflicts, spiritual struggle and despair, and any type of personal or spiritual bondage. The Steps to Freedom in Christ is a comprehensive process to help Christians resolve personal and spiritual conflicts in Christ. This smaller version of the new and revised Steps to Freedom in Christ makes it easier and more convenient to take the steps with you everywhere you go.

You will give back the life which the enemy is trying to rob from you. Here are 36 Scriptures, reading and prayers that will transform your thoughts about God, about yourself, about your purpose here on earth.

How Are Your Finances Shaping Your Heart? Jesus knew that how we think about money shapes our character. Our approach can make us more like him—full of contentment, purpose, and freedom—or it can cause a tragic separation from God and the joy he offers. We need a firm foundation for faith and finances. In True Riches, John Cortines and Gregory Baumer invite us to experience four transformations in our financial lives, moving from pride to gratitude so that we see everything as a gift; coveting to contentment so that we spend wisely; anxiety to trust so that we save appropriately; and indifference to love so that we give extravagantly. Full of scripture, personal stories, and practical application, True Riches offers a clear path away from the empty pursuit of wealth and into more intimate relationship with God.

God wants us to be able to enjoy life, not just survive it. Enjoying the Goodness of God is not a Christian self-help book, though it will help you. It is not a bible study, though you will learn about the bible. It is not designed to motivate you to try harder, though you will be motivated. It does not contain the steps to achieve personal actualization and success, though when you discover who you are in Christ Jesus and all He has done for you, you will find great success. Enjoying the Goodness of God will point you back to Jesus and allow Jesus to reveal Himself to you once again. The more you see Jesus, the more He will change you, from glory to glory. Not behavior modification, but heart transformation. It results in great success!

Take Hold Of The Freedom That Is Yours In Christ! Do you want to become an even more fruitful disciple of Jesus? Are you tired of not fulfilling your full potential as a Christian? No matter how long or short a time you have been a Christian, or how far you are on the journey, you will find The Steps To Freedom In Christ a wonderfully refreshing spiritual check-up. It will help you clear away the spiritual cobwebs and connect with Jesus in a deeper way. Many use it on a regular basis to give God an opportunity to highlight attitudes and behaviors that need to change and to uncover areas where their faith is not as strong as they would like it to be. It's also extremely effective for those facing particular challenges such as: - condemning thoughts - patterns of wrong behavior - spiritual struggles - hopelessness

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? In How Big Is Your God? Paul Coutinho, SJ, challenges us to grow stronger and deeper in our faith and in our relationship with God—a God whose love knows no bounds. To help us on our way, Coutinho introduces us to people in various world religions—from Hindu friends to Buddhist teachers to St. Ignatius of Loyola—who have shaped his spiritual life and made possible his deep, personal relationship with God.

This is not just a book just to be READ - it is a book to be SAID! "Death and life are in the power of the tongue, and they who indulge in it shall eat the fruit of it [for death or life]." Proverbs 18:21 If I could hand you a key that is guaranteed to change your life and circumstances; a principle that places the supernatural power of God on tap for every situation in your life and ministry, would you want to know what it is? Sometimes people shroud the simplicity of the gospel in a mess of religious rhetoric and theological confusion. Thankfully the Scriptures make plain and simple how we are to engage with God and receive and release His transforming power consistently in our everyday lives. In this practical Spirit-filled series of books, pastor and Bible teacher, David Lee Martin, unpacks the amazing truth concerning the power of the words that you speak, and shows clearly how you can apply this truth to change your world, and the world of those around you. This Edition: COLOSSIANS The book of Colossians is a book of putting off the old, and putting on the new. The truths you are about to declare will uproot all that hinders you in your walk with God and with others, and firmly establish your present and true identity in Christ. Take the words on the following pages, salt them with your own thanksgiving, and let God's love and grace touch the very depths of your being. The Benefits of Applying the Word As with several of my other books, this one is intended to be applied. It's words and message are impotent if they are not vigorously acted upon. The 'His Word My Word' series of books take eternal truth and shape it for application right here and now! This series of books will train your tongue by planting the Word in your heart, and harnessing your testimony (the confession of your mouth) with the law of liberty - the perfect Word of our Father. Just a few the benefits you can expect as you act on what you read, and become a doer of the work include: -It renews the mind, building into your consciousness and expectation new truths to live by. -It moulds your vocabulary, harnessing your tongue to speak only those things God (and you) desire for your life. -It conforms your thoughts and words to His thoughts and Words. -It gives expression to the mind of Christ in any and all situations. -It raises our perspective from earthly to heavenly, from below circumstances to above them. -It banishes wrong thinking and emotions, replacing them with God's own thoughts - our emotions will always follow our thinking, and our thinking will follow the deposit in our heart, and the words of our mouths. -It gives you an actionable principle you can apply to combat any adversity you face with confidence. -It establishes Godly boundaries in your life. -It overcomes the devil's plans and purposes because you are never in agreement with him, and they cannot be established. -It develops new pictures of ourselves, ones that are shaped by God's unchanging love for us. -It equips us with the necessary weapons for the Holy Spirit to bring to our remembrance what is needed to overcome, any time our mind, body or spirit come under attack. -It brings every thought into captivity and conformity to Christ, resulting in increased spiritual authority in the spirit realm and in relationships and ministry. -It is health to our flesh and strength to our bones. There are many more wonderful benefits that flow from disciplining ourselves to speak the Word only, but I am sure that you already you agree, any investment we need to make putting this into practice is far outweighed by the promised returns. It is truly life changing, and a spiritual principle that will stand the test of time and every challenge that is thrown at it.

These four short volumes can be read individually but also form a valuable accompaniment to the Freedom in Christ course. Many Christians end up acting as they think a Christian should act - and finding that they simply can't keep it up. They either drop out or burn out. True fruitfulness comes from realising that we became someone completely new the moment we became Christians. Living out the truth of who we now are makes all the difference. The 'eternal life' that Jesus came to give us is not just something we get when we die. It's a whole different quality of life right now, a life which gives us perfect acceptance, phenomenal significance and complete security. Know the truth and choose to believe it and you can be the person you were made to be.

TAKE HOLD OF THE FREEDOM THAT IS YOURS IN CHRIST! Do you want to become an even more fruitful disciple of Jesus? Are you tired of not fulfilling your full potential as a Christian? No matter how long or short a time you have been a Christian, or how far you feel you are on the journey, you will find The Steps To Freedom In Christ a wonderfully refreshing spiritual check-up. It will help you clear away the spiritual cobwebs and connect with Jesus in a deeper way. Many use it on a regular basis to give God an opportunity to highlight attitudes and behaviours that need to change and to uncover areas where their faith is not as strong as they would like it to be. It is particularly effective when used in conjunction with the teaching on The Freedom In Christ Course or in Neil Anderson's many other books. It's also extremely effective for those facing particular challenges such as: Condemning thoughts Patterns of wrong behaviour Spiritual struggles Hopelessness The Steps To Freedom In Christ can be used on its own but is especially effective when used in a church as part of The Freedom In Christ Course, a 10-week multimedia small group discipleship course that has been used by over 350,000 people and translated into over 25 languages.

In our Christian walk in this world, we are always presented with choices and subtle offers that can appear appealing. However, we often ignore the small print, either deliberately, or through ignorance. Interestingly, the Israelites, faced similar offers, as they 'negotiated' with Pharaoh for their freedom from slavery. Freedom Bargains explores five subtle offers usually presented to us as alternatives to God's ideal of real and total freedom. It provides lessons from the wisdom of Moses and his attention to detail, in avoiding these subtle traps (schemes), intended to keep believers in perpetual bondage and also provides vital biblical keys for walking in complete freedom. The book details the need to be alert to our life's purpose as spelt out by God, in being able to navigate past all the traps that are intended to trip us into living life below the level God intends for us. It encourages and challenges believers to re-examine God's original intention for setting us free. It encourages us to be alert to and remain steadfast in the liberty with which we have been set free and to let this be manifest in all areas of our lives. The book is written in a contemporary, conversational style with real life (personal, family, social and political) examples which speaks to current popular and social culture and makes it easily accessible to those new to engaging with the Bible as well as more mature believers. This notwithstanding, the book's message is strongly biblical and culturally informed. The chapters include contemporary real-life stories and quotations from a wide spectrum of well-known Christian and political leaders, which will make it easy for most readers to identify with. It is my desire for you to believe again that you can walk in complete freedom in all aspects of your life and to go ahead and live it. Above all, I desire that all believers will rise up and be outward looking to impart their freedom found in Christ, to other people in their various fields of endeavor.

Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

A modern-day Confessions of Saint Augustine, The Seven Storey Mountain is one of the most influential religious works of the twentieth century. This edition contains an introduction by Merton's editor, Robert Giroux, and a note to the reader by biographer William H. Shannon. It tells of the growing restlessness of a brilliant and passionate young man whose search for peace and faith leads him, at the age of twenty-six, to take vows in one of the most demanding Catholic orders--the Trappist monks. At the Abbey of Gethsemani, "the four walls of my new freedom," Thomas Merton struggles to withdraw from the world, but only after he has fully immersed himself in it. The Seven Storey Mountain has been a favorite of readers ranging from Graham Greene to Claire Booth Luce, Eldridge Cleaver, and Frank McCourt. Since its original publication this timeless spiritual tome has been published in over twenty languages and has touched millions of lives.

This next generation of The Steps to Freedom in Christ helps Christians reclaim the promise of freedom that Christ offers all who come in His name. It includes a spiritual inventory to help identify and break free from condemning thoughts, compulsive behaviors, personal conflicts, spiritual struggle and despair, and any type of personal or spiritual bondage. So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different areas of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...
