

The Lawyers English Language Coursebook

Legal English: How to Understand and Master the Language of Law offers a contemporary guide for students and practitioners alike who want to improve their language skills and build confidence in communicating effectively from the classroom to the courtroom. The second edition has been completely revised and updated to cover all aspects of language as used in a legal context where effective communication is crucial to both academic and professional success.

File Type PDF The Lawyers English Language Coursebook

Comprehensive student-friendly resources designed for teaching Cambridge International AS and A Level English Language (syllabus 9093 for first examination in 2015). The core aim of this Coursebook is to help students to develop and apply the key skills they need to achieve in AS and A Level English Language. They will build the skills needed for assessment through frequent activities. Divided into two distinct parts for AS and A Level studies, the book covers a wide range of reading skills, such as understanding aspects of style, voice and tone. It also addresses the conventions of key kinds of writing and spoken language, from scripted speeches to travel articles, and looks at how they can capture these

File Type PDF The Lawyers English Language Coursebook

conventions in their own work.

This book was the first book to present a specific theory of language management.

Describes the culture of the Parakanã, a little-known indigenous people of Amazonia, focusing on conflict and ritual.

This 1999 book was the first full-length account of the county court, which in contemporary English life has become the main forum for most civil disputes. It began as the 'poor man's court', largely concerned with the pursuit of working-class debtors; but, as this book shows, it has expanded far beyond its origins as an agency for the more easy recovery of small debts' and now includes

File Type PDF The Lawyers English Language Coursebook

in its jurisdiction a diverse range of matters, including housing, accidents and consumer goods. Drawing on a wide range of sources, the author traces the history of the county court from its creation in 1846 through to the reconstruction of the court system in 1971. He describes its organisation and officers, from judges to bailiffs, and discusses the roles of judges, practising lawyers and lay persons. The text is an intriguing engagement with themes including access to justice.

Admirably clear, concise, down-to-earth, and powerful—all too often, legal writing embodies none of these qualities. Its reputation for obscurity and needless legalese is widespread. Since 2001 Bryan A. Garner 's

File Type PDF The Lawyers English Language Coursebook

Legal Writing in Plain English has helped address this problem by providing lawyers, judges, paralegals, law students, and legal scholars with sound advice and practical tools for improving their written work. Now the leading guide to clear writing in the field, this indispensable volume encourages legal writers to challenge conventions and offers valuable insights into the writing process that will appeal to other professionals: how to organize ideas, create and refine prose, and improve editing skills. Accessible and witty, Legal Writing in Plain English draws on real-life writing samples that Garner has gathered through decades of teaching experience. Trenchant advice covers all types

File Type PDF The Lawyers English Language Coursebook

of legal materials, from analytical and persuasive writing to legal drafting, and the book 's principles are reinforced by sets of basic, intermediate, and advanced exercises in each section. In this new edition, Garner preserves the successful structure of the original while adjusting the content to make it even more classroom-friendly. He includes case examples from the past decade and addresses the widespread use of legal documents in electronic formats. His book remains the standard guide for producing the jargon-free language that clients demand and courts reward.

Language endangerment has been the focus of much attention and as a result, a wide range of people are

File Type PDF The Lawyers English Language Coursebook

working to revitalize and maintain local languages. This book serves as a general reference guide to language revitalization, written not only for linguists and anthropologists, but also for language activists and community members who believe they should ensure the future use of their languages, despite their predicted loss. Drawing extensively on case studies, it sets out the necessary background and highlights central issues such as literacy, policy decisions, and allocation of resources. Its primary goal is to provide the essential tools for a successful language revitalization program, such as setting and achieving realistic goals, and anticipating and resolving common obstacles. Clearly written and

File Type PDF The Lawyers English Language Coursebook

informative, Saving Languages will be an invaluable resource for all those interested in the fate of small language communities around the globe.

English is the dominant language of international business relations, and a good working knowledge of the language is essential for today ' s legal or business professional. Legal English provides a highly practical approach to the use of English in commercial legal contexts, and covers crucial law terminology and legal concepts. Written with the needs of both students and practitioners in mind, this book is particularly suitable for readers whose first language is not English but need to use English on a regular basis in legal contexts. The

File Type PDF The Lawyers English Language Coursebook

book covers both written and oral legal communication in typical legal situations in a straightforward manner. As well as including chapters on grammar and punctuation for legal writing, the book features sections on contract-drafting, language for negotiation, meetings and telephone conversations. This edition contains additional troubleshooting tips for legal writing, guidance on good style, and new sections on writing law essays and applying for legal positions.

this second edition provides a clear introduction to all topics in the contract law curriculum.

A practical step-by-step introduction to the analysis of English grammar, taking an integrated approach to function and structure.

American Legal English: Using Language in Legal Contexts provides a basic introduction to the U.S. legal system for non-native speakers of English. It combines elements of law with language

to enhance non-native English speakers's ability to communicate with their legal counterparts in English. Reading, writing, listening, and speaking activities are included in each chapter. While a good basic knowledge of general English is presumed, there is no assumption that the students have any knowledge of the U.S. legal system or legal terminology. Collaborative, communicative activities are used throughout the text to engage student interest and involve them in the

learning process. Realia, in the form of cases and statutes, is included so that students become comfortable with legal English and its sometimes difficult syntax. The text can be used for both law students and legal practitioners, in either intensive programs or those of longer duration. Non-attorney English for Specific Purposes instructors who have some interest in the legal field will be able to use the book and rely on the expertise of their students to create an

effective learning environment in a Law and Language course. The organization of the book is by legal content, beginning with a broad overview of the system and how it works, then moving to specific areas of law such as torts or contracts. The book culminates in a mock trial, which provides students an opportunity to employ all of the skills and knowledge they have acquired during study of the preceding chapters. . Professional English in Use Law is a

brand new addition to the Professional English in Use series.

Heavily classroom-tested by the authors and other instructors, this powerful teaching tool puts an emphasis on vocabulary and solid learning aids to introduce the American legal system to foreign law students. Focusing on constitutional law, the authors provide in-depth coverage of major issues such as the health care mandate, Arizona immigration law, the Defense of

Marriage Act, affirmative action, the Supreme Court citation on international authority and more. The American Legal System for Foreign Lawyers uses contract law to show the continued development of common law and considers the role and function of judges, characterizing the differences between common and civil law. Other important issues are highlighted such as the differences between judicial review of legislation under constitutional

challenge, judicial interpretation of statutes, and judicial development and application of common law contract and property law principles. Interesting cases and solid case-reading coverage combine with tables, graphical material, and glossaries to help students grasp United States law. Features of The American Legal System for Foreign Lawyers: Heavily class-room tested by the authors and other instructors In-depth coverage of major issues Health

skills required on the LPC, Lawyers' Skills also features a number of tasks, examples and reflective exercises specifically designed to support students in developing, practising and refining the legal skills which are integral to the modern solicitors' practice.

The Art of Advocacy: Briefs, Motions, and Writing Strategies of America's Best Lawyers presents more than 150 examples of masterful advocacy to show lawyers how to write winning motions

and briefs. The book focuses on the strategic and substantive choices that top litigators make, drawing examples from important, timely, and controversial cases. Detailed annotations give readers insight into what makes each document so effective. In addition to presenting a host of storytelling, stylistic, and organizational strategies, the book's examples demonstrate how to build and rebut different types of arguments. The Appendices provide a

wealth of additional resources, including Karl Llewellyn's previously unpublished advice from 1957 about the art of advocacy, which one top law professor described as the "best advice on legal writing I've ever seen."

Legal English for Lawyers, Law Professionals & Law Students ("Master Legal Vocabulary & Terminology" TOLES Edition) Most lawyers whose first language is not English face a problem when it comes to setting time aside to improve their communication skills in English, mainly due to a lack of time. This self-study book aims to bridge that gap by providing a structured framework under which law students, lawyers and other law professionals can significantly improve their knowledge of Legal English, contract

File Type PDF The Lawyers English Language Coursebook

law and the English legal system. You will be taken through the main vocabulary and grammar structures in commercial contracts and allowed to practise them through highly targeted activities which aim to develop, not only your lexical and grammatical skills, but also your confidence and overall competence within international legal settings. At the end of the book you will find a link to a short glossary with all the main terms of contract law and legal English, together with a phrasal verb mini-dictionary which

File Type PDF The Lawyers English Language Coursebook

includes definitions and exercises to perfect your mastery of this area of English. This book provides a complete preparation for Advanced Legal English vocabulary and grammar (from Basic to Advanced level) in the TOLES exam (Legal English)

A new series of bespoke, full-coverage resources developed for the 2015 A Level English qualifications. Endorsed for the AQA A/AS Level English Language specifications for first teaching from 2015, this print Student Book is suitable

File Type PDF The Lawyers English Language Coursebook

for all abilities, providing stretch opportunities for the more able and additional scaffolding for those who need it. Helping bridge the gap between GCSE and A Level, the unique three-part structure provides essential knowledge and allows students to develop their skills through a deeper study of key topics, whilst encouraging independent learning. An enhanced digital version and free Teacher's Resource are also available. Lord Denning, an influential but controversial English judge, stated that

File Type PDF The Lawyers English Language Coursebook

'Words are the lawyer's tools of trade'. This course book reflects that conviction as it focuses on words, the language of the law - legal terms, expressions, and grammar - introduced systematically with relevant aspects of the law, and examined in context through analytical reading activities based on original legal texts selected for their interest and importance in different branches of the common law system. This book explores constitutional law, criminal law, tort, and contract; yet includes international legal contexts,

File Type PDF The Lawyers English Language Coursebook

with a particular focus on human rights and European law. The presentation of legal concepts and terminology in context in each chapter is graded so that the course progresses, building on the vocabulary and law encountered in earlier chapters. Each chapter, organized thematically, includes a series of activities - tasks - to complete, yet the book does not presuppose previous knowledge of legal English or of the common law: full answer keys and reflective commentary on both legal and

File Type PDF The Lawyers English Language Coursebook

linguistic aspects are given and sections marked 'Advanced' offer especially challenging materials. Consolidation sections are designed to test students' global comprehension of the legal texts analysed, including precise usage of legal vocabulary in context, with solutions. Common Law Legal English and Grammar is addressed to the non-native speaker of English, and in particular, intermediate to advanced students who are studying law, or academics with a professional interest in Anglo-American law. Practising lawyers

File Type PDF The Lawyers English Language Coursebook

will also find that the book offers valuable analysis of the language of legal documents. Please note, this book is not available for purchase in Italy.

'English for Tax Professionals' is a Business English course book designed to address the specific language needs of tax consultants, tax lawyers, tax accountants, auditors, tax agency officials and numerous other tax professionals. of legal authority instead.

An essential handbook for international lawyers and students Focusing on vocabulary, Essential Legal English in Context introduces the US legal system and its terminology. Designed especially for foreign-trained lawyers and students whose first language is not English, the book is a must-read for those who want to expand their US legal vocabulary and basic understanding of US government. Ross uses a unique approach by selecting legal terms that arise solely within the context of

File Type PDF The Lawyers English Language Coursebook

the levels and branches of US government, including terminology related to current political issues such as partisanship. Inspired by her students' questions over her years of teaching, she includes a vast collection of legal vocabulary, concepts, idioms, and phrasal verbs and unpacks concepts embedded in US case law, such as how the US constitutional separation of powers may affect a court's interpretation of the law. The handbook differentiates basic terms in civil and criminal cases and compares terms that may seem similar

File Type PDF The Lawyers English Language Coursebook

because of close spellings but in fact have different meanings. For instance, what is the distinction between “taking the stand” and “taking a stand?” What is the difference between “treaties” and “treatises”? Featuring illustrations and hands-on exercises, Essential Legal English in Context is a valuable self-study resource for those who want to improve their legal English terminology before entering a US law school, studying US law or government, or working as a seconded attorney to a US law firm.

File Type PDF The Lawyers English Language Coursebook

Instructors can use the handbook in an introductory US legal English course. The focus of this manual is not what provisions to include in a given contract, but instead how to express those provisions in prose that is free of the problems that often afflict contracts.

preparing for the ILEC exam"-back cover. This thorough appraisal of competition law and policy from an international and comparative perspective covers the role of different international organisations active in the area, the significance of multinational enterprises and, in particular, the differences between US and EU systems. Taking examples from regions such as Africa, the Middle East and Asia, Maher M. Dabbah looks at the law and policy in developing countries and at a regional level, the internationalisation

File Type PDF The Lawyers English Language Coursebook

of competition law and the doctrines of extraterritoriality, bilateral cooperation and multilateral cooperation as well as the relationship between competition and trade policy. The book should prove useful to anyone who is interested in gaining an insight into the international dimension of competition law and policy. It is written in a language and style which make such a complex topic both possible to understand and enjoyable.

David Crystal's classic *English as a Global Language* considers the history,

File Type PDF The Lawyers English Language Coursebook

present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists

File Type PDF The Lawyers English Language Coursebook

in the subject and for general readers interested in the English language.

Legal English is a professional language. This means that a good command of ordinary English does not automatically make a student proficient in legal English. Many foreign law students on English language programmes experience problems when suddenly all their lectures, textbooks, discussions and written work have to be in English. A lack of familiarity with legal English can seriously impede their progress. And a command of legal English is not just a desirable academic skill. It has become an absolute 'must' for

File Type PDF The Lawyers English Language Coursebook

today's legal professionals working in internationally orientated law firms. This book offers: vocabularies providing sets of legal terminology associated with the legal system, civil procedure, EU law, tort, contract law and company law; text putting the terms in the vocabularies into their legal context; case discussion questions in order to practice using the terminology; knowledge questions to ensure that the reader has understood the legal concepts. This book is designed for law students who have followed their law studies in a language other than English. Textbooks on English law are too detailed for those who want to understand English legal terminology rather than English law itself. Legal dictionaries are useful but, as the words are ordered alphabetically, terms are treated in

File Type PDF The Lawyers English Language Coursebook

isolation.
