

The Pool Of Two Moons Witches Eileanan 2 Kate Forsyth

Between Two Moons by Eve Gladstone released on Jun 22, 1990 is available now for purchase.

You are invited to visit an imaginary world and share the experiences and struggles of the unwilling victims being placed there. First book by this author, the story has been in my head for many years, I am glad to finally be able to share it, watch out for sequels as my empty head soon started to fill up again.

Vampire society knows him as the Thirteenth Elder, first vampire in creation, the mages know him as an immortal high sorcerer and the Keeper of the Prophecy. Delgarias Dullahan only cares about the woman who knew him simply as "Del." Two thousand years ago, he gambled his soul for the power to marry Nikkita Leonine...and lost. Now he is finally on her trail. But Del is not the only one searching for the missing luminite princess, and whoever finds her first will have the upper hand in the battle against the greatest evil ever known.

One of the most gripping fantasies ever written, *The Moon Pool* embodies all the romanticism and poetic nostalgia characteristic of A. Merritt's writings. Set on the island of Ponape, full of ruins from ancient civilizations, the novel chronicles the adventures of a party of explorers who discover a previously unknown underground world full of strange peoples and super-scientific wonders. From the depths of this world, the party unwittingly unleashes the Dweller, a monstrous terror that threatens the islands of the South Pacific. Although Merritt did not invent the lost world novel, following in the footsteps of Sir Arthur Conan Doyle, Burroughs and others, he greatly elaborated upon that tradition. This new edition includes a biography of the author, and an introduction detailing Merritt's many sources and influences, including the occult, mythological, and scientific discourses of his day.

From the New York Times bestselling author of *Blue Bloods* and *Witches of East End* After they cause a terrible accident at their old high school, twin witches Mardi and Molly Overbrook are sent to live with their "Aunt" Ingrid Beauchamp in North Hampton, on Long Island's mist-shrouded East End. Because the twins cannot control their powers, their father begs Ingrid to tame them over the summer, before the White Council exiles the girls to Limbo. Trouble continues to bubble and boil when the girls meet the younger Gardiner boys, who are just as handsome and sexy as their older kin. But all is not as it seems. As Ingrid helps the girls learn to control their magical impulses, Mardi and Molly have just this summer to figure out how to grow up, how to love, and how to be a family.

Discover this 'sparkling celebration of sexual intrigue' (Telegraph) from the Booker Prize-winning author of *The Line of Beauty*. *The Spell* is a comedy of sexual manners that follows the interlocking affairs of four men: Robin, an architect in his late forties, who is trying to build an idyllic life in Dorset with his younger lover, Justin; Robin's 22 year old son Danny, a volatile beauty who lives for clubbing and casual sex; and the shy Alex, who is Justin's ex-boyfriend. As each in turn falls under the spell of romance or drugs, country living or rough trade, a richly ironic picture emerges of the clashing imperatives of modern gay life. At once lyrical, sceptical and romantic, *The Spell* confirms Alan Hollinghurst as one of Britain's most important novelists.

The year is 1Q84. This is the real world, there is no doubt about that. But in this world, there are two moons in the sky. In this world, the fates of two people, Tengo and Aomame, are closely intertwined. They are each, in their own way, doing something very dangerous. And in this world, there seems no way to save them both. Something extraordinary is starting. The second life of Dinnie Doone began when she was thirteen. In Dinnie's first life she moved home a dozen times. In each new town her family landed in deeper trouble. Then, without warning, she was snatched by total strangers and taken far away to the other side of the world. Dinnie arrives in Switzerland and becomes a pupil at an international boarding school high in the mountains. Separated from her family, she starts a new life that's strange and frightening . . . beautiful and full of adventure.

Aristotle and Dante Discover the Secrets of the Universe is the beloved cult classic about family, friendship and first love, from award-winning author Benjamin Alire Sáenz. This lyrical novel will enrapture readers of John Green, Love, Simon and Call Me by Your Name. Aristotle is an angry teen with a brother in prison. Dante is a know-it-all who has a unique perspective on life. When the two meet at the swimming pool, they seem to have nothing in common. But as the loners start spending time together, they develop a special friendship – the kind that changes lives and lasts a lifetime. And it is through this friendship that Ari and Dante will learn the most important truths about the universe, themselves and the kind of people they want to be. This incredibly moving and powerful Printz Honor Book follows two teen boys learning to open themselves up to love, despite the world being against them. 'A tender, honest exploration of identity' – Publishers Weekly

An African folktale tells how the sun and water once lived on earth as friends, but because the sun failed to build his house large enough, he and his wife, the moon, were driven into the sky when the water came to visit them. Toward the end of the year 1920 the Government of the

United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet

position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

The Witches of Eileanan, Book Two. At the Day of Reckoning witchcraft was outlawed in Eileanan. Behind the persecution is the beautiful and mysterious Banr gh. Not all the witches were killed on the Day of Reckoning. The wood witch Meghan leads the half-blackbird, half-man Bacaiche and the Scarred Warrior Iseult through the countryside to the safety of the Veiled Forest, where she hopes to meet up with Isabeau, her ward, whom she has entrusted to carry part of the precious Key of the Coven. Once in the forest they are visited by the magical Celestines, and Bacaiche reveals his true identity. There are also other, less welcome visitors: the Banr gh's Red Guards may be easily repelled at the forest's fringes, but not so the deadly Mesmerdean. Meanwhile Jorge the blind Seer leads his group of tattered children to the rebels' camp deep in the mountains. The rebels plan to take the ancient city of Lucescere on Samhain Eve. If they do, and the Key can be joined, great magic can be invoked in their cause. At Lucescere is the remains of the witches' Tower of Two Moons and its magical pool. What secrets lie in the pool's depths? Can the Lodestar be freed and Eileanan live in peace once again? The Pool of Two Moons is the second book in the series The Witches of Eileanan.

The Witches of Eileanan, Book One. A complex and gripping

story of witches, enchantment, magical creatures and dragons. Since the Day of Reckoning witches and magic have been outlawed on Eileanan. The great towers, once centres of learning, are now abandoned ruins. The penalty for practising witchcraft is death. Yet the lodestar still calls to the Righ, king of Eileanan, making him uneasy. And there are those determined to restore witches and their craft to their rightful place in Eileanan. In a hidden valley deep in the mountains, in the shadow of the peak of Dragonclaw, Isabeau the foundling grows to womanhood in the care of Meghan, an old wood witch. Meghan can call animals to her hand and knows the secrets of herb-lore. But Isabeau dreams of adventure ... Carrying a magic talisman that contains the last hopes of the persecuted witches, Isabeau is hunted through the land by the evil Banrigh. Meanwhile the sea-dwelling Fairgean stir, children mysteriously disappear in the night, and Isabeau's guardian climbs Dragonclaw to seek guidance from the most ancient and dangerous wisdom in the land ... Dragonclaw is the first in the series The Witches of Eileanan. THE WITCHES OF EILEANAN SERIES Book 1: Dragonclaw Book 2 The Pool of Two Moons Book 3: The Cursed Towers Book 4: The Forbidden Land Book 5: The Skull of the World Book 6: The Fathomless Caves

BEGIN THE CELEBRATED "GIANTS" SERIES WITH TWO COMPLETE NOVELS BY A MASTER OF SCIENCE FICTION WITH REAL SCIENCE!

Inherit the Stars: When they found the corpse in a grave on the Moon, wearing a spacesuit of unfamiliar design, his identity was a complete mystery. Analysis showed that the deceased was 50,000 years old-meaning that he had somehow died on the Moon before the human race even existed. The Gentle Giants of Ganymede: On another moon, Jupiter's Ganymede, still another mystery: a wrecked spaceship, which had been there for millennia, and was obviously designed for beings larger than the humans of Earth. The mystery seemed insoluble until another ship, manned by the same humanoid giants arrived, and were very surprised to find humans inhabiting their Solar System. . . . At the publisher's request, this title is sold without DRM (Digital Rights Management). "PURE SCIENCE FICTION . . . ARTHUR CLARKE, MOVE OVER." -Isaac Asimov

A futuristic thriller about the colonization of and culture clashes between the Moon and Earth from H.A. Swain, the author of Hungry and Gifted. Sol is the month between June

and July on the thirteen-month Moon calendar. It's the only time teenagers have to themselves between rigorous scientific training and their ultimate lab assignments in their colony on the Moon. Their families emigrated from Earth to build better lives; but life on the Moon is far from perfect, as Uma learns on the eve of Sol. Uma meets an Earthen girl who becomes a fast friend, and much more. What Uma doesn't know is that the girl is assigned to infect Uma with a plague that a rogue faction of Earthen scientists hope will wipe out Moon soldiers. Will Uma be the cause of a pandemic? Whom can she trust, and moreover, whom does she love?

Beautiful Redemption is the much-anticipated finale of the spellbinding love story that began with Beautiful Creatures - a romance that is bound to capture the hearts of Twilight fans everywhere. One night in the rain, Ethan Wate opened his eyes and fell in love with Lena Duchannes. His life would never be the same. Ethan always dreamed of leaving the stifling Southern town of Gatlin. But he never dreamt that finding love with Lena Duchannes would drive him away. Lena is a Caster girl whose supernatural powers unveiled a secretive and cursed side of Gatlin, so powerful it forced him to make a terrible sacrifice. Now Ethan must find a way to return to Lena - and Gatlin - as she vows to do whatever it takes to get him back. Even if it means trusting old enemies or risking their loved ones' lives. Some loves are meant to be. Others are cursed . . . Can Ethan and Lena rewrite their fate and their spellbinding love story in this stunning finale to the Beautiful Creatures series?

Winner of the Nebula Award for best novel, 2005 Winner of the James Tiptree, Jr. Award 2004 Unknown to anyone, two creatures have wandered the Earth for generations. The aliens have no knowledge of each other, but share a residual memory of a mysterious, sunken relic - and an affinity for deep water. One, the changeling, has survived by adaptation, taking the shapes of many different organisms. The other, the chameleon, has survived solely by destroying anything or anyone that threatens it. Now, finally brought up from the bottom of the sea by marine biologist Russell Sutton, the relic calls to them both . . . to come home. For all these generations there have been two invincible creatures on Earth. But the chameleon has decided there's only room for one . . .

During the time Mowgli was with the wolf pack, he is abducted by the Bandar-log monkeys to the ruined city. Baloo and Bagheera set out to rescue him with Kaa the python. Kaa defeats the Bandar-log, frees Mowgli, and hypnotises the monkeys and the other animals with his dance. Mowgli rescues Baloo and Bagheera from the spell. The Jungle Book (1894) is a collection of stories by English author Rudyard Kipling. The stories were first published in magazines in 1893-94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. These stories were written when Kipling lived in Vermont. Famous stories of The Jungle Book Rudyard Kipling: Mowgli's Brothers, Kaa's Hunting, Tiger! Tiger!, The White Seal, Rikki-Tikki-Tavi, Toomai of the Elephants, Her Majesty's Servants.

"First published in Australia by Vintage ... previously published in Great Britain by Allison & Busby Limited"--Title page verso.

Follows the perils of the citizens of the warring Malazan Empire.

Named Best First Novel by Locus 'Twas a time when dragons left their lair and evil shadowed the land.... On the Day of Reckoning, the witches of Eileanan were outlawed--and violations of the new order were punishable by death. Eileanan's Great Towers, once meccas of magic and learning, were left in ruins. And now, the entire land trembles in fear.... Yet deep in the mountains, in the shadow of Dragonclaw, a young girl is being tutored in the old ways. Ignorant of her past, uncertain of her future, the foundling Isabeau will soon be forced down a dangerous path of prophesy, conspiracy, and magic. It is a world where dragons possess the key to ancient mysteries...where a lost prince will discover a strange and wondrous destiny...and where the ultimate battle between good and evil will be waged.... A new Day of Reckoning is at hand....

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

His image is everything, his hormones are raging, and common sense is nowhere to be found. Combine that with his eccentric and ultraconservative family, and the stage is set for a comedic fall from grace that promises to not disappoint. The Fall of Two Moons is a fictional memoir of Steve McConnell's coming of age that will have readers begging for more uproarious and heartwarming stories. It's 1984 in the small coastal town of Portside, and Steve must juggle his ever-restless and troubled peers with his role in the conservative McConnell house, while concealing the ultimate caper from his gregarious father, the school principal. It is not an easy task living in the shadow of his seemingly perfect sister, appeasing his religiously fanatic mother, or sharing a room with his newly adopted Down syndrome brother and classmate, Andy. Steve keeps his growingly agitated father at bay from his behavioral shortcomings, his mother in the dark regarding his sexual awakening, and his peers entertained with his antics in this wildly funny tale of family, friends, and folly. Nicknamed Two Moons following an unfortunate accident of indecent exposure, Steve must stave off ridicule and bodily harm from the upper classmen and school bullies. When these same bullies are wrongfully accused of the crime Steve and his friends are responsible for, he must navigate through a web of deception that becomes increasingly tangled. Steve tries to accept his new brother, embrace his family's idiosyncrasies, and make peace with himself. He winds up in a race with time to prove his maturity to his first girlfriend, keep his friends, evade the authorities, and make amends with those left in his wake as his worlds collide in epic proportion.

"The Witches of Eileanan: Book Three. The Cursed Towers, another spellbinding episode in this enchanting series Lachlan the Winged now

holds the Lodestar and is Righ of Eileanan. But his battle to gain the throne is only the first of many that he and Eileanan must face. The sea-dwelling Fairge are taking over more and more of the coasts. The half-breed Maya, who wrought such terrible persecution upon Eileanan's witches and fairy creatures, has disappeared -- though this has not deterred groups of soldiers maintaining their loyalty to her and her baby and threatening Lachlan's rule. Despite having played a crucial role in his victory, Isabeau feels increasingly uneasy at Lachlan's court. She has taken responsibility for Maya's baby, Bronwen, and fears her brother-in-law's jealousy of the child. Once again she must take to the road, though the road she travels this time is unlike any other ... Under the watchful eyes of the dragons, Isabeau and Bronwen make their home at the crumbling Towers of Roses and Thorns deep in the mountains. It is there that Isabeau will discover her true heritage -- and the true nature of the dragons. As Lachlan seeks support througho

In Smile, Alan A. Siegel chronicles the evolution of Olympic Park from a den of hedonism and intoxication in the 1880s into Essex County's most popular family entertainment site in the 1950s and 1960s. Under the fifty-year reign of Newark brewer Henry A. Guenther, millions of men, women, and children passed under the signs Smile and Learn to Play into what the legendary beer baron called a little bit of Coney Island, the circus, an old-fashioned beer garden, and Monte Carlo rolled into one. With its myriad games, attractions, performances, and restaurants, it was impossible to walk away from the park unsatisfied and not wishing for a return. Though the doors to Olympic Park have been closed for thirty years, it will forever reside in the memories of many as a towering monument on the cultural landscape of New Jersey in a simpler, more innocent, and less affluent time.

The Witches of Eileanan: Book six. The Fathomless Caves is the explosive final instalment of this bestselling series I saw the scaly sea rise and flood the land, the Red Wanderer like a bloody gash in the sky. That is when they will come, with the rising o' the red comet the Fairgean shall come ... Before his death, the blind prophet Jorge had foreseen the conjuring of a tidal wave by the sea-dwelling Fairgean, Eileanan's bitterest enemies. Driven by ancient hatreds, the Fairgean have called upon dreadful powers to aid them in their quest to totally annihilate all those who dwell upon the land. As the time of the comet draws ever closer, Lachlan and Iseult try desperately to avert the terrible fate the seer had prophesied, testing their strength and love to the utmost. Meanwhile, Isabeau must travel a dark and dangerous road to fulfill her own destiny and prove herself worthy of the ring of the sorceress. Facing old enemies and new, the most difficult challenge of all will be conquering the ghosts of her past. For if Isabeau is to heal the land, she first must find the way to healing her own troubled

spirit ... The Fathomless Caves brings to a dramatic conclusion the war between the land-dwellers of Eileanan and the sea-dwelling Fairgean – a war which has been building steadily since readers first found out about the Fairgean's devious plans in Dragonclaw. THE WITCHES OF EILEANAN SERIES Book 1: Dragonclaw Book 2 The Pool of Two Moons Book 3: The Cursed Towers Book 4: The Forbidden Land Book 5: The Skull of the World Book 6: The Fathomless Caves

The only work to date to collect data gathered during the American and Soviet missions in an accessible and complete reference of current scientific and technical information about the Moon.

Today medievalism is increasingly intelligible as a cultural lingua franca, produced in trans- and international contexts with a view to reaching popular international audiences, some of mass scope. This book offers new perspectives on international relations and how global concerns are made available through contemporary medievalist texts. It questions how research in medievalism may help us rethink the terms of internationalism and globalism within popular cultures, ideologies, and political formations. It investigates how the diverse media of medievalism (print; film and television; arts and crafts; fashion; digital media; clubs and fandom) affect its cultural meaning and circulation, and its social function, and engage questions of desire, gender and identity construction. As a whole, International Medievalism and Popular Culture differs from those studies which have concentrated on imaginative appropriations of the middle ages for domestic cultural contexts. It investigates rather how contemporary cultures engage with medievalism to map and model ideas of the international, the trans-national, the cosmopolitan and the global. This book includes examples from Europe, Britain, North America, Australia and the Arab world. It discusses the formation and the impact of popular medievalism in the globalised worlds of Braveheart, Disney and Harry Potter, but it also explores how the contemporary medieval imaginary generates international cultural perspectives, for example in considering Middle Eastern reception of Ridley Scott's Kingdom of Heaven, the Byzantinism of Julia Kristeva, and Hedley Bull's postnationalist 'new medievalism'. International Medievalism in Popular Culture is an important contribution to medieval studies, cultural studies, and historical studies. It will be of value to undergraduate, postgraduate and academic readers, as well as to all interested in popular culture or medievalism.

In the latest installment of the Nebula Award-winning series Saga of the Skolian Empire, two young men on opposite sides--one who gave up everything to save an empire, while the other, born a prince but forced into slavery, who has become Imperator of all Skolia--search for a way to bring peace, despite their people's thirst for war.

Karigan may have heard the First Rider's call, but she's not about to let it

take over her life ... or at least that's what she thinks. She swore to complete a dying man's mission - to deliver a sealed letter to King Zachary. Now that task, more dangerous than she could have imagined, is complete and her work is done, Karigan wants to leave the dangerous world of tainted magic and ancient magicians behind her and return home. Exhausted in both body and spirit, she plans to return to her quiet life and her father's business. But it proves no match for the Rider's call; ghostly hoofbeats sounding in her mind, visions of the freedom of the open road, all calling her back to the king's service as a Green Rider. Karigan resists it, but when she wakes up to find herself - in her nightdress - on horseback and halfway across the country, her destiny is clear: she is a Green Rider. As she discovers, it's not a good time to be called to serve. For a thousand years the D'Yer Wall, a physical and magical barrier protecting the land from the ancient, corrupted Blackveil Forest, has held. For a thousand years the forest, an arboreal prison containing one of Sacordia's greatest enemies, has been quiet. Not any more. The wall has been breached, unnatural, lethal creatures are finding their way into Sacordia, a dark sentience is stirring, and the Green Rider magic itself is failing. And in the midst of it all, Karigan is about to be called to her duty ...

In 1964, Joe is pleased that a new law will allow his best friend John Henry, who is black, to share the town pool and other public places with him, but he is dismayed to find that prejudice still exists.

The Witches of Eileanan : Book five. The Skull of the World continues this compelling story. 'Sign of the Soul-Sage, a good omen for your quest, so high to the roof of heaven,' the Sage said. 'A sign of death as well as wisdom, though, remember. Change ahead for you the change wrought on a landscape by an avalanche. Dangerous pattern indeed. There are things in your past and in your unknown which shall seize you in their jaws and seek to you under.' Isabeau has immersed herself in the life of the Khan'cohban but she still has to return to Eileanan from her self-imposed exile. First, though, she must undertake her journey of initiation to the Skull of the World, where the cruel and enigmatic Gods of V will reveal her destiny to her. On this journey she will face many dangers but by overcoming them, will finally discover her true Talent - shape-changing. After successfully fulfilling her initiation quest, Isabeau returns to the Pride triumphantly and is given her initiation so

is now free to return to Lucescere and the Tower of Two Moons, where she plans to be a sorceress. Meanwhile, Iseult and Lachlan face new challenges to their rule. Although peace has been restored to the lands of Eileanan, the young Rìgh and Banrìgh have paid a high price for victory. Lachlan's forces are much depleted by the struggle to win the throne, and despite the signing of the Pact of Peace, there are still many pockets of civil unrest, with pirates attacking ships and coastal towns to great cost. Most importantly, the Rìgh's forces marched upon Tirsoilleir in an attempt to win back the throne for Elfrida NicHilde. But Lachlan and Iseult are preoccupied with the invasion of Tirsoilleir, Margrit NicFóghnan, the deposed banprionnsa of Arran, kidnaps Lachlan's son Donnacan, the heir to the throne, and her grandson, Iain's son Neil, from Lucescere. Bitter at the loss of her own throne, her grandmother of the MacCuinn clan has become obsessive and she wishes to turn the young prionnsa against his father and use his magic for her own. It is Isabeau, though, who stands accused of treachery when little Donnacan and Neil disappear, and yet no-one but she has the power to save the children from their fate at the hands of Margrit. This will be the truest test of Isabeau's Talent, a test which will threaten to destroy her and all she holds dear. THE WITCHES OF EILEANAN SERIES Book 1: Dragonclaw Book 2 The Pool of Two Moons Book 3: The Cursed Towers Book 4: The Forbidden Land Book 5: The Skull of the World Book 6: The Fathomless Caves

Once upon a time all literature was fantasy, set in a mythical past when magic existed, animals talked, and the gods took an active hand in earthly affairs. As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present, fantasy was temporarily marginalized until the late 20th century, when it enjoyed a spectacular resurgence in every stratum of the literary marketplace. Stableford provides an invaluable guide to this sequence of events and to the current state of the field. The chronology tracks the evolution of fantasy from the origins in medieval literature to the 21st century. The introduction explains the nature of the impulses creating and shaping fantasy literature, the problems of its definition and the reasons for its cyclical historical fortunes. The dictionary includes cross-referenced entries on more than 700 authors, ranging across the entire historical spectrum, while more than 200 other entries describe the fantasy subgenres, key images in fantasy literature, technical terms used in fantasy criticism, and the intimately convoluted relationship between literary fantasies, scholarly fantasies, and lifestyle fantasies. The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature, through bibliographies and accounts of the fantasy literature of different nations, to individual author studies and useful websites.

Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, comforting, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells the story of Phoebe Winterbottom, who received mysterious messages, who met a "poet lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl

only wish is to be reunited with her missing mother.

From the New York Times bestselling author of *The Unhoneymooners* and the “delectable moving” (Entertainment Weekly) *My Favorite Half-Night Stand* comes a modern love story about what happens when your first love reenters your life when you least expect it. . . . Brandis was Tate Jones’s first: Her first love. Her first everything. Including her first heartbreak. During a whirlwind two-week vacation abroad, Sam and Tate fell for each other in only the way that first loves do: sharing all of their hopes, dreams, and deepest secrets along the way. Sam was the first, and only, person that Tate—the long-lost daughter of the world’s biggest film stars—ever revealed her identity to. So when it became clear that love was misplaced, her world shattered for good. Fourteen years later, Tate, now an up-and-coming actress, only thinks about her first love every once in a blue moon. When she steps onto the set of her first big break, he’s the last person she expects to see. Yet here Sam is the same charming, confident man she knew, but even more alluring than she remembered. Forced to confront the man who betrayed her, Tate must ask herself if it’s possible to do the wrong thing for the right reason... and whether “once in a lifetime” can come around twice. With Christina Lauren’s signature “beautifully written and remarkably compelling” (Sarah J. Maas, New York Times bestselling author) prose and perfect for fans of Emily Giffin and Jennifer Weiner, *Twice in a Blue Moon* is an unforgettable and moving novel of young love and second chances.

"The Witches of Eileanan, Book Four. A magical ride through another chapter of Eileanan's rich and turbulent history. Finn the Cat is bored with life as a banprionnsa. To make things worse, her cousin Brangaine has come to live with them and is everything a banprionnsa should be beautiful, gracious, and always perfectly behaved. Luckily for Brangaine, a caravan of jongleurs arrives at Castle Rurach. But this is no ordinary caravan. Led by Darragh the Juggler, the jongleurs have come on behalf of the Ragh. Once again it seems that Linn the Winged has particular need of someone with Finn's peculiar abilities . . . Finn, desperate for adventure, eagerly takes up the Ragh's exciting commission and joins the expedition with one objective: to help Elfrida NicHilde, the deposed banprionnsa of T rsoilleir, win back her crown. Their first task: to recapture the prophet Killian the Listener, imprisoned in the Tower by the corrupt and cruel T rsoilleirean General Assembly. Setting out on this clandestine journey that will take them beyond the Great Divide and into the Forbidden, the companions must face dangers that will test their courage and resolve to break it. "What if?" questions stimulate people to think in new ways, to refresh old ideas, and to make new discoveries. In *What If the Earth Had Two Moons*, Neil Comins leads us on a fascinating ten-world journey as we explore what our planet would be like under alternative astronomical conditions. In each case, the Earth would be different, often in surprising ways. The title chapter, for example, gives us a second moon orbiting closer to Earth than the one we have now. The night sky is a lot brighter, but that won't last forever. Eventually the moons collide with one extra-massive moon emerging after a period during which Earth sports a Saturn-like ring. This and nine and other speculative essays provide us with insights into the Earth as it exists today, while shedding new light on the burgeoning search for life on planets orbiting other stars. Appealing to adult and young adult alike, this book is a fascinating journey through physics and astronomy, and follows on the author's previous bestseller, *What If the Moon Didn't Exist?*, with completely new scenarios backed by the latest astronomical research.

Izramith Ezmi is many things: a member of the feared, all-female Hedron guards, a war

veteran recently returned from a pointless and bloody mission, and impatient, angry and above all, lonely. With her contract about to run out, she may be on her way to becoming a ruthless mercenary, since what she really wants--becoming a mother--is out of the question. Her family carries a gene that causes deeply malicious madness. Her nephew was born with the condition and her useless sister has left him in the care of an institute. A baby. Two days old. She has to ask her uncle, himself born with the condition, if he can do anything for the boy. But her uncle and his band of mad outcasts have gone missing, rumoured to be on the world of Cereris. So Izramith takes another hired-gun contract in Barresh which is a city-state on Cereris. Her job is to provide security at a high-profile wedding. Simple and straight-forward, right? No crawling in mud, no shoot-outs, no mangled bodies and blood-drenched soil. And meanwhile she can try to find her uncle. Except he isn't there, and the job isn't simple. Izramith and her team discover evidence of an extensive spying ring. Who is spying and why? The dictator of the neighbouring nation of Miran has plenty of reasons to dislike Barresh, and the citizens are a large group of people disgruntled with the pace of recent reforms. But most importantly, many people have gone missing from the streets of Barresh for years. No one has cared much because they were from disenfranchised groups, but Izramith sees the link with her uncle's disappearance, and with the spying ring, and knows that the security of the entire city is severely compromised. Postponing the wedding would be an admission of defeat, so it's time for desperate measures. Izramith leads a small team in what has to go down as the most unbrained mission to ever be undertaken in the universe. Much is at stake: peace, the lives of her uncle and her nephew, and her own. space opera, science fiction series, aliens, mystery, adventure, urban, political, rainforest, romance, alien planet, scifi, sci fi
