

The Ultimate Guide To Fellatio How To Go Down On A Man And Give Him Mind Blowing Pleasure Ultimate Guides Series

Ever felt confused about female sensuality? Puzzled as to what women really want? Now there is no need for guesswork. Packed full of tips and tricks How to Give Her Absolute Pleasure is sure to produce mind-blowing sex for both you and your partner. Written by one of America's most popular sexperts' Lou Paget, How to Give Her Absolute Pleasure will guide you all the way from foreplay to orgasm. Drawing on the experiences of real clients, Paget explains the best toys, lubricants and positions so you can start enjoying safe, breath-taking sex today. Who can live without lust? All day and night, our minds run through delicious possibilities - a silky hand beckoning us into the VIP lounge; a stranger in the backseat; the hunky FedEx driver bringing his package to the door - not to mention our own lascivious memories. Lust is a collection of erotica by and for women, a fierce and joyous celebration of female desire and the triple-X trouble it gets us into. In Kay Jaybee's "Tied to the Kitchen Sink, " a birthday boy finds his present - nude except for tall, high-heeled boots - happily devoted to domestic duties. Maria Grigoriadis' "Pleasant Surprise" shows what can happen when you knock on the wrong apartment door - without your panties. And Bonnie Dee's "Ripe Fruit" teasingly elaborates the sweet, sticky encounter of a soap opera idol and a fruit-stand employee on a stretch of rural roadside. Let the witty and provocative Violet Blue lead you down a primrose path to a forest of wicked, lustful surprises. Each year, guest judges select the best in sexy literate, queer writing - sometimes dark, sometimes perverse, often strange and irreverent, frequently unconventional, but always compelling, provocative and hot. Now, the 'Best of the Best' is collected in two companion volumes, Best of the Best Lesbian Erotica, and Best of the Best Gay Erotica. Here, contributors include Heather Lewis, Joan Nestle, Pat Califia, and Cecilia Tan.

From acclaimed, New York Times best-selling author Mary Roach comes the complete collection of her "My Planet" articles published in Reader's Digest. She was a hit columnist in the magazine, and this book features the articles she wrote in that time. Insightful and hilarious, Mary explores the ins and outs of the modern world: marriage, friends, family, food, technology, customer service, dental floss, and ants—she leaves no element of the American experience unchecked for its inherent paradoxes, pleasures, and foibles. On Cleanliness: Ed has crud vision, and I don't notice filth. Ed sees it everywhere. I am reasonably convinced that Ed can actually see bacteria. . . . He confessed he didn't like me using his bathrobe because I'd wear it while sitting on the toilet. "It's not like it goes in the water," I protested, though if you counted the sash as part of the robe, this wasn't strictly true. On the Internet: The Internet is a boon for hypochondriacs like me. Right now, for instance, I'm feeling a shooting pain on the side of my neck. A Web search produces five matches, the first three for a condition called Arnold-Chiari Malformation. While my husband, Ed, reads over my shoulder, I recite symptoms from the list. " 'General clumsiness' and 'general imbalance,' " I say, as though announcing arrivals at the Marine Corps Ball. " 'Difficulty driving,' 'lack of taste,' 'difficulty feeling feet on ground.' " "Those aren't symptoms," says Ed. "Those are your character flaws." On Fashion: My husband recently made me try on a bikini. A bikini is not so much a garment as a cloth-based reminder that your parts have been migrating all these years. My waist, I realized that day in the dressing ro

From the highly sexed editors of Instinct Magazine comes a painstakingly thorough guide to the art of a great blowjob. Everyone deserves to discover and experience what great sex means for them. The Guide to Great Sex is a manuscript of sexual knowledge written by a former sex columnist who studied human sexuality and openly shared details of his sex life with readers. This guide is the culmination of knowledge gained during that experience as a sex writer. You will learn: What it means to have great sex. The science behind pleasure and orgasms. A complete breakdown of foreplay. Oral sex: fellatio and cunnilingus techniques. 16 of the best sex positions for the hottest sex and deepest intimacy. How sex toys can improve your sex life and which ones the author recommends. The one simple yet rare act that can take your sex life to the next level. How to master multitasking in the bedroom. The balance of dominance and submission. How to communicate openly with your partner about sexual issues. How to unlock sexual fantasies and fetishes within you and your partner. How to overcome 9 different sexual anxieties and insecurities. 3 little-known sexual concepts and how to take advantage of them. And much, much more to help you take your sex life to the next level. The tips and advice in The Guide to Great Sex are 100% gender and sexual orientation neutral. The author phrases terms and describes certain acts to allow everyone to feel included in the conversation. Anyone can learn from these pages, because the author believes that everyone deserves to have great sex. "I started the book 3 hours ago and I just jammed through it. This is both a compliment as to how entertaining it was as well as how easy of a read it is. Making it gender/sexual orientation neutral was an excellent choice and I don't feel like it ever distracted me in any way. As I read through I couldn't help but think I'm going to send this to my little brother in two years when he first steps foot on a college campus as a student. This is a great accomplishment and I'm especially excited to see where you go from here with your site and whatever else you publish. I was thoroughly entertained and definitely informed." -- Jordan From The Author: "I firmly believe that sex is a fundamental need of human beings, and it's an act that should be enjoyed by everyone. I worked hard to improve my sex life. I worked through my sexual anxiety and insecurities, I made myself vulnerable, I read books just like this one, and I made some of the best memories I will ever have. Now my hope is that you will take this knowledge and apply it to your own sex life, to experience what great sex means to you." -- Michael Karp, Author of The Guide to Great Sex

Sucking Him - A Woman's Guide To Giving Head (+50 Tips & Techniques To Pleasure Your Man) Grab this GREAT physical book now at a limited time discounted price! Let's face it... Men love blowjobs! The act of a beautiful feminine woman kneeling below a man while she sucks on his sacred sexual member with pure passion and joy is an absolute dream for most men. A woman that knows what she is doing while performing fellatio is able to connect with her man on a far deeper level. She can make her grown man moan, beg, and shake at his knees, all at the expense of the tricks she can perform with her mouth, tongue, and hands. A blowjob for a man is the ultimate expression of love. Having the woman of his dreams caress his genitals to the point of an intimate, sensual and mind-blowing ejaculation, is a feeling that is beyond words for any man to describe. Unfortunately, for many men, it can often be difficult to find a woman who is internally "strong" enough with a high enough level of "self-confidence" that enables her to feel comfortable

performing fellatio, which many people view as a "vulnerable" act on the woman's part. A lot of women will not even perform oral sex on their partners, for various reasons: they consider it taboo, lack the confidence, fear of putting genitals in their mouth, religious reasons, etc. And for those women that are confident and comfortable giving blowjobs, unfortunately the majority have no idea what they are doing, and they don't even realize it! This is a huge problem! Not just for men that are excluded from receiving this incredible sensual experience, but also for women. Women may have trouble connecting on a deeper level with their partner, because of their insecurities around performing fellatio, or in most cases, they lack the skills to give their partner a truly enjoyable, mind-blowing blowjob. I believe this is a result of our poor sexual education in schooling systems, and the way that sex and various sexual acts are portrayed by our media, religion(s) and culture(s). Because of these negative factors, most women do not bother to further improve their oral sex skills or partake in the act at all! In this book, I will teach you how to "master" the art of fellatio. You will learn techniques that your man has never experienced from any other woman before. You will learn tricks outside the physical act of just the blowjob, such as; how to tease your man, and how to create a sexy, seductive build up to make him desperately need you! These acts alone will have your man on his hands and knees literally begging you for your blowjob while he tries to keep his erect penis hidden in his pants. Here Is What You'll Learn About... How Giving A Blowjob Leads To Better Sex Why Blowjobs Are The Ultimate Expression Of Love For Men Where And How To Touch Him Learn About His Penis And His Most Sensitive Areas For Pleasure Teasing Him Before The Blowjob 50 Techniques & Tips To Give Him The Best Sensual Blowjob He Has Never Had Learn The Art Of The Tantric Blowjob Experience How To Literally Make Him Cum Harder (Produce More Semen During Ejaculation) Than Ever Before! A finalist for the Los Angeles Times Science & Technology Book Prize 'The most entertaining writer in science' - The Times, Books of the Year War. Mention it and most of us think of history, of conflicts on foreign soil, of heroism and compromise, of strategy and weapons. But there's a whole other side to the gruesome business of the battlefield. In Grunt, the inimitable Mary Roach explores the science of keeping human beings intact, awake, sane, uninfected and uninfested in the bizarre and extreme circumstances of war. Setting about her task with infectious enthusiasm, she sniffs World War II stink bombs, tests earplugs in a simulated war zone and burns the midnight oil with the crew of a nuclear submarine. Speaking to the scientists and the soldiers, she learns about everything from life-changing medical procedures to innovations as esoteric as firing dead chickens at fighter jets. Engrossing, insightful and laugh-out-loud funny, this is an irresistible ride to the wilder shores of modern military life.
