Cambridge English for Scientists is a short course (40-60 hours) for student and professional scientists.

New Total English retains all the popular features of the original edition including clear CEF-related objectives which make lesson planning easy. There is a solid grammar syllabus with regular Active Grammar boxes and Reference and Review sections. It also has a strong focus on vocabulary with attention to collocations and now includes an on-line Vocabulary Trainer at each level.

The English in Mind Combos offer flexibility in a contemporary English course for teenagers. Each Combo contains eight Student's Book units with the corresponding Workbook material grouped into two modules, and offers approximately 40 to 45 hours of classwork. Clear learning objectives at the beginning of each module, plus 'Check your Progress' sections at the end, help students and teachers plan learning more effectively. There are free Audio CDs/CD-ROMs combining an interactive CD-ROM and audio material. The English in Mind Combos can be used with mixed-ability classes. Combo Starter A is for complete beginners. Combos 1A and 1B

are for elementary students; 1A contains a 16-page starter section to review key language. Combos Levels 2A, 2B, 3A and 3B take students from pre-intermediate to intermediate level.

A lingua franca perspective into English language teaching in Brazil has only recently taken flight. As an emerging economy, the country faces enormous challenges when it comes to language education in schools, where English has traditionally been taught as a foreign language. This collection brings the perspectives of academics and language practitioners in their efforts to incorporate an ELF approach into teacher education, thus offering a voice

aspects of English-speaking life. 'Check your progress' sections help students monitor their learning. The DVD-ROM features stimulating grammar exercises, games, video, unit tests, Workbook audio, and selected Student's Book audio. The videos feature the photostory characters and include 'Videoke,' which allows students to record and hear their voices in portions of the video dialogues.

The Workbook contains further practice of language areas covered in the corresponding units of the Student's Book. The accompanying 'catch-up' CD-ROM provides extra support for students who miss lessons.
